Malcolm X. Little

b7D [REDACTED] that funeral services were held for Malcolm X at the Church of God in Christ, New York City, on February 27, 1965, and he was buried at Ferncliff Cemetery, Hartsdale, New York.

Grave diggers at the Ferncliff Cemetery wanted to leave Malcolm X's coffin above ground until the funeral party left the cemetery. Attorney Milton R. Henry of Pontiac, Michigan, insisted that the coffin be lowered by members of the "Nationalists" and also that they would bury Malcolm X's body rather than having him buried by any white man. Services ended at Ferncliff Cemetery at 12:58 p.m., February 27, 1965, with Malcolm X being buried by members of the MMI.

APPENDIX

ORGANIZATION OF AFRO-AMERICAN UNITY (OAAU)

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes of education, politics, culture, economics and social reform.

On August 19, 1964, a confidential source advised that the headquarters of the OAAU are located in MMI headquarters, Suite 128, Hotel Theresa, 2090 7th Avenue, New York City.

APPENDIX

MUSLIM MOSQUE, INCORPORATED (MMI)

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York), 1 Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

A second confidential source advised on October 20, 1964, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. These headquarters are shared with the Organization of Afro-American Unity (OAAU) which is also headed by MALCOLM X.

APPENDIX

NATION OF ISLAM, formerly referred to as the Muslim Cult of Islam, also known as Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam," (NOI) and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised ELIJAH MUHAMMAD is the national leader of the NOI; Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, MUHAMMAD and other NOI officials, when referring to MUHAMMAD'S organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD'S teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

APPENDIX

NATION OF ISLAM, formerly
referred to as the Muslim
Cult of Islam, also known as
Muhammad's Temples of Islam

On May 7, 1964, a third source advised Muhammad had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs.

APPENDIX

NATION OF ISLAM, MOSQUE #7,
NEW YORK CITY

On May 5, 1964, a source advised that the Nation of Islam (NOI) affiliate in New York City is known as Mosque #7, also known as Temple #7, and is located at 102 West 116th Street, New York City. Mosque #7 is part of the NOI headed by ELIJAH MUHAMMAD, with headquarters in Chicago, Illinois. Mosque #7 has two branches; Mosque #7B at 105-03 Northern Boulevard, Queens, New York City, and Mosque #7C at 120 Madison Street, Brooklyn, New York. These branches are part of Mosque #7.

The date Mosque #7 originated in New York City is not known.

However, in connection with the origin of Mosque #7, it should be noted that in 1953 a second source advised that there was a Temple of the NOI (known to source then as the Muslim Cult of Islam) in New York City located at 135th Street and 7th Avenue, as far back as 1947.

NATION OF ISLAM, formerly referred to as the Muslim Cult of Islam, also known as Muhammad's Temples of Islam

In January, 1957, a source advised Elijah Muhammad has described his organization on a nationwide basis as the "Nation of Islam," (NOI) and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised Elijah Muhammad is the national leader of the NOI; Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, Muhammad and other NOI officials, when referring to Muhammad's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. Muhammad claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following Muhammad's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including Muhammad, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

NATION OF ISLAM, formerly
referred to as the Muslim
Cult of Islam, also known as
Muhammad's Temples of Islam (Cont.)

On May 5, 1958, the first source advised Muhammad had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

On May 7, 1964, a third source advised Muhammad had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to Muhammad, would help him acquire additional followers and create more interest in his programs.

MUHAMMAD'S TEMPLE OF ISLAM NO. 11,
BOSTON, MASSACHUSETTS, ALSO REFERRED
TO AS THE NATION OF ISLAM (NOI)

On March 18, 1954, a source stated that the Nation of Islam (NOI) had become active in Boston, Massachusetts, and knew that it had held meetings as early as November, 1953.

On May 11, 1964, a second source stated that the Temple of Islam in Boston, Massachusetts, is known as Muhammad's Temple of Islam No. 11 or Muhammad's Mosque No. 11. It is located at 35 Intervale Street, Dorchester (Boston), Massachusetts, and is the local branch of Muhammad's Temple of Islam whose headquarters are in Chicago, Illinois.

MUHAMMAD'S TEMPLE OF ISLAM NO. 13,
SPRINGFIELD, MASSACHUSETTS,
ALSO REFERRED TO AS THE
NATION OF ISLAM (NOI)

On March 9, 1955, a source advised that the Nation of Islam (NOI) had, at that time, just opened a Temple in Springfield, Massachusetts.

On May 11, 1964, a second source advised that NOI Temple No. 13 is located on the corner of Oak and Tyler Streets, Springfield, Massachusetts. The membership refer to Temple No. 13 as either Muhammad's Temple of Islam No. 13 or Muhammad's Mosque No. 13. This source stated that Temple No. 13 is a part of the national organization which has its headquarters in Chicago, Illinois.

While the [REDACTED] were interviewing her one of them left the interview room to talk with [REDACTED] told that he felt the killing was an "inside job" because on [REDACTED] night before the killing someone asked a high official about extra guards for the meeting on 2/21/65. A person in authority said no extra guards would be needed. [REDACTED] did not identify anyone. [REDACTED] also advised the [REDACTED] that the [REDACTED] had offered [REDACTED] if he would admit shooting HAYER; however, [REDACTED] would only tell the [REDACTED] that he was not present at the meeting. They asked him who was speaking when he entered
and he stated BENJAMIN. u

BENJAMIN then introduced MALCOLM LITTLE and MALCOLM
LITTLE began his speech. LITTLE gave the MUHAMMAD greeting,
and then stated "Brothers and Sisters." u

After LITTLE stated "Brothers and Sisters" a
commotion started a few rows in front of him. LITTLE stopped
speaking, came from behind the rostrum and a few people
started to stand. LITTLE then told the people to take it
easy and sit down. While this was going on the individual
[REDACTED] TALMADGE HAYER, stood up
and told a person to his left "Get your hand out of my
pocket." The person beside HAYER stated, "I wasn't in your
damn pockets." This was occurring at the same time as
LITTLE was speaking. After standing up HAYER pushed his
coat back and pulled an object from his left side, either
from a pocket or from his belt. The object looked metallic
[REDACTED] HAYER then pointed the object he took
from his clothing toward LITTLE. [REDACTED] then heard
what sounded like a gunshot and fell to the floor. He told
[REDACTED] to get down but she was still sitting. He later
pulled her down. u

KUP'S SHOW - FEBRUARY 27, 1965

KUP:

Good evening, ladies and gentlemen and welcome to another session of conversations unlimited on Kup's Show. Tonight, because the Black Muslims are holding their National Convention in Chicago, we thought in keeping with our efforts to be on top of the news and to present all sides of the question that we would have various representatives for the Black Muslims, against the Black Muslims, and perhaps one or two who are neutral. Let's meet our guests now. First, this is AUBREY BARNETTE of Boston, former member of the Muslims, whose article, "The Black Muslims Are A Fraud" appears in the current issue of the Saturday Evening Post. Mr. BARNETTE flew here from Boston and appears in the studio today under police protection. Next is GORDON HALL, one of America's leading authorities on the extremists of both the left and the right. He's a one-man organization. From the great State of Missouri, this is Congressman RICHARD BOLLING, Democrat, who suggests methods for speeding up the legislative process in our Congress in his new book, "House Out of Order". Next is

CG 100-35635

Dr. C. ERIC LINCOLN, Social Philosopher, currently at Brown University. He is the author of the definitive study called The Black Muslims in America. His newest book is "My Face is Black". And this is JOHN ALI, National Secretary of the Black Muslims and head of their school here. I'm IRV KUPCINET of the "Chicago Sun-Times", your moderator, and we'll join our lively group right after this message.

COMMERCIAL

KUP:

Gentlemen, I'd like to get right to the point. AUBREY here, whom we have introduced already as a young man from Boston, has written an article in the Saturday Evening Post in which he says the Black Muslims are a fraud. He appears here, as we have announced, under police protection. He suffered a terrible beating in Boston and won a court case as a result of the beating. A number of bones were fractured and other injuries, right, AUBREY?

AUBREY:

Yes.

KUP:

Why do you think the Black Muslims are a fraud?

AUBREY:

I'd say the Black Muslims are a fraud because they have deceived the public. They have tricked their members and they are not carrying out any of the programs that they have projected.

CG 100-35635

KUP:

Can you tell us what, more specifically, the programs they have claimed to --

AUBREY:

Yes. Well, one of the reasons why I joined the Black Muslim movement was because I thought it was an organization that stood for a lot of ideals that I could uphold. And this was the idea of moral uplifting. I thought they had a program for improving the moral climate in the Negro community, a program for reforming juvenile delinquents and for preventing dope addiction and so forth. I thought that they had a program of economic upliftment. I thought they had an educational program and after being in the movement for some time, I finally left the movement in disgust because the Muslims, while they publicly pronounced they had these programs, they had never put them into practice and it is my conclusion now that they don't intend to put them into practice.

KUP:

Now, after you announced that you were leaving the Black Muslims or the Mosque in Boston, Mosque Number 11, this is when you suffered that beating which you attributed to your defection?

AUBREY:

No. I had left the Mosque in 1963, in November of 1963, and I didn't suffer this beating until about a year later. I thought that I could forget about the Muslims, the Black Muslim Movement

CG 100-35635

and I had put them aside and had returned to the outside world of reality, had gone to work in a bank as an auditor. I finally decided I would take advantage of my college training. I went back, I left the organization and went to work in the outside world. And I thought I could forget about the Black Muslims but I soon found in August of 1964 that I couldn't forget them because they didn't forget me.

KUP:

JOHN, this is a sort of a direct attack, a frontal attack I might say on the organization you represent as National Secretary.

JOHN:

Well, one of the first things that I'd like to say. Well, we've been well acquainted for 34 years with different people in America making attacks on Mr. MUHAMMAD and the original Islam. First, I'd like to bring this clear to you and which I'm quite sure you are aware of - the principle of religion which is allowed or protected by the Constitution. And a person has a right to practice any religion they wish. And so it is with us. I mean this is, you might say, a sort of a hypocrisy of this subject occurring on your show because you don't find this type of discussion concerning religious activity anywhere in America except for relation to the Muslims who follow the Honorable

CG 100-35635

ELIJAH MUHAMMAD. A person has the prerogative to worship anything as their religion. If they want to say that this cup is their religion (picks up cup), that is between them and the person who will go along with it. And it is no one's prerogative to say it is or is not a religion. This is guaranteed by the Constitution. And in this case we had the original Islam which has been taught by the Honorable ELIJAH MUHAMMAD in this country for the past 34 years. And he is the man of God and if we're wrong then it's between us and our Maker. It is no one's prerogative to classify us or to say we are approved of by any society or by any other group of people.

And we're not seeking it and we don't ask for it.

KUP:

That wasn't AUBREY's point.

JOHN:

Well, I'm saying that BARNETTE here who alleged to have been with us. I mean, we can understand the article in the Saturday Evening Post. We know the reputation of the Saturday Evening Post as a very reckless magazine because they have several suits against them now for libel and slander. In fact, even the subjects that he says on your show are subjects to inspection by attorney because we have an attorney here who is in for this purpose. And the Saturday Evening Post has a reputation for slander. In fact, -

CG 100-35635

KUP:

I gather you put your threat in there very slyly, right?

JOHN:

One of the biggest awards ever made against a publication has been against the Saturday Evening Post, which is also a magazine which is beset with mismanagement and loss of advertising review and -

KUP:

I am not going to defend or knock down the Saturday Evening Post -

JOHN:

All this is in connection with understanding the source that is behind this man doing this, because he is a paid man. He was paid for this article in collaboration with someone else and we are very much acquainted with Quislings and how they get their due and so naturally the history of this must be taken into account, too, when you discuss this article on your show because you mentioned the Saturday Evening Post, which right now, this magazine is suffering the loss of advertising revenue and also circulation and a shakeup on their board of management and stockholders fight and everything else. And they are doing everything they can to create attention towards the magazine in gaining circulation. And they are notorious for even printing untruths in order to gain circulation.

KUP:

But the man who wrote the article is right here. Let me repeat, the Saturday Evening Post is not on trial here. He wrote the article. He lived through this experience. You should answer his questions. -

CG 100-35635

JOHN:

The article states that he wrote the article in collaboration with someone else. I mean this is - the Saturday Evening Post is not a magazine of fact but is a magazine of fiction. This is the reputation of the magazine. They have had more serial, more document, more theater and plays written from their stories of fiction, like this, than any other publication in the country. And Mr. BARNETTE, we might say, suffers from a figment of imagination.

AUBREY:

Well I certainly have everything, every bit of evidence to document everything I've said in this -

JOHN:

Well, if you have any evidence of anything or fraud of anything, then you present it to the court.

AUBREY:

I have documents to back up every statement that I have made.

JOHN:

Any evidence that you have. - And when you call somebody a fraud, I mean, first you are a college student, and you cite your reputation for -

AUBREY:

The public -

KUP:

Please, one at a time. Let JOHN finish.

JOHN:

And you cite your reputation for being an educated man and you have evidence, evidence which should be presented in courts. If you have evidence of anything of being a fraud, you should present this thing in a court and not going around by making reckless accusations as you have done and are still doing.

AUBREY:

I am submitting my claims to a court of public opinion.

JOHN:

Because you have none. What do you call is a fraud? What do you say is a fraud? Name one thing.

AUBREY:

Each program that has been projected is a fraud.

JOHN:

Name one program. Name one!

AUBREY:

The economic program.

JOHN:

Name one. What economic program?

AUBREY:

The economic program. The \$3,000,000 Islamic Center.

JOHN:

What about it?

AUBREY:

It hasn't been built.

JOHN:

All right. Then what about it? What is a fraud about it?

AUBREY:

It is a fraud because the money was collected for one purpose, and the purpose the money was collected for, the money was never used for that purpose.

JOHN:

Now that is where I won't say that you are a liar because I'll ruin this show, and I'm much too intelligent for that but I'll say as LINCOLN told one of his generals that you be reckless with the truth. But I'll say this, the economic - The three programs that was announced by Mr. MUHAMMAD. Do you know what some of the money was raised for and as I wrote in the paper about this program, this program -

CG 100-35635

AUBREY: Wait a minute. Please, please.
Now -

JOHN: You said \$3,000,000.

AUBREY: The \$3,000,000 program.

JOHN: There was never no \$3,000,000 program. First you have your facts mixed. There was a \$20,000,000 program which we announced.

AUBREY: The Islamic Center program.

JOHN: Is a \$20,000,000 program. And your reputation for keeping up to date on things was never very accurate anyway but when you mention about a \$3,000,000 program first you mention something which does not exist. There never was a \$3,000,000 program.

AUBREY: I completely agree with that -

JOHN: There was a \$20,000,000 program which was announced by Mr. MUHAMMAD and funds -

KUP: Let me clear up one point, JOHN, on the program. In your article you say that this was a \$20,000,000 educational program. \$3,000,000 was raised and never spent.

AUBREY: Right.

KUP: That is what the problem was -

CG 100-35635

JOHN:

He doesn't know anything about this. This is a lie. I say he doesn't have any facts for this and the fact, Mr. BARNETTE. We have a warrant out for him now in Boston for misappropriation of funds.

KUP:

Were you familiar with that, AUBREY?

AUBREY:

No, sir. This is a quite new and reckless charge -

JOHN:

It is not reckless.

AUBREY:

- didn't even swear a warrant out.

JOHN:

Listen, he was in the organization and this is one of the reasons why he defected from the group because misusing funds and things.

AUBREY:

I left the organization sometime -

JOHN:

This is one thing he had never stated. I mean, when you write your article why you left, you should -

AUBREY:

It took them some time to figure I had misappropriated some funds, when I left the organization in 1963. This is 1965. And you just getting your warrant out? Sounds like a trumped-up charge to me.

JOHN:

Another trumped-up article, I mean, are you just writing this article now? You haven't listed one thing as a fraud. What is a fraud?

AUBREY: The entire program is a fraud.

JOHN: Now what is a fraud? What program?

AUBREY: Well, take the program step by step.

JOHN: I'll take it step by step.

AUBREY: Well, take a look -

JOHN: It's on the back page of "Muhammad Speaks" newspaper.

AUBREY: Right. We're for the war of freedom.

JOHN: Right.

KUP: I'd like to recite once again that I wish one at a time would speak. GORDON, you wanted to get a word in edgewise.

GORDON: I want to make the point that since this gentleman makes a big issue of the courts and your attorney being here, which is an old gambit I might add, talking business of getting into a squabble like this and they want you to know somebody's listening and therefore you're not supposed to say anything. You know if the courts and the attorneys and all the rest are involved, why don't you take this gentleman to court since the Saturday Evening Post -

JOHN: I mean, one -

CG 100-35635

GORDON:

Let me finish. If he is allegedly so reckless, take him to court and prove that him charge that you people are a fraud, which I would completely endorse having studied the Muslims myself. Why don't you take him to court and have the courts decide in the United States whether what he said is true or false. You make a big issue of all this business of attorneys and all of that -

JOHN:

Well, like I said again, one -

GORDON:

And when this warrant, by the way -

JOHN:

One thing not concerning you at all is our religion and you have no right to tell me how I should act in my religion. I mean, whatever your religion, that is your business. I mean this is the thing that is going on where the religion of black people has been decided by white people and they tell them how they should conduct their affairs. This is what we have, what Mr. MUHAMMAD protests. And how we practice our religion is of no concern to you. You practice yours whatever way you wish. The fact that Islam is in this country is something which is widely known. They have it in the Masonic Society. They practice it. And for you to say that our religion is a fraud. We can expect this from you because Mr. MUHAMMAD teaches the history of the white people

in this country and they are opposed to the religion of Islam and the only success that Islam has been in the last 34 years since the time he has been preaching this religion. I mean, ten years ago, you couldn't find the mention of Islam in even in the printing. His parent corporation, the field magazine, which publishes the Encyclopedia Britannica, or one of the reference books -

KUP:

The World Book.

JOHN:

They call it Mohammedism. Only since Mr. MUHAMMAD has been teaching has there been any respectability given to this religion and much of it. And concerning your trying. There are in fact. You don't even believe in your own Constitution when you tell me how to practice my religion. I mean this is not your prerogative.

GORDON:

This man has so many charges. We'll be all day catching up with him. Let's go back to the beginning premise. I thought -

JOHN:

Let's go back to the principle of religion.

KUP:

Let AUBREY get the floor, please.

AUBREY:

Beginning with the fraud. The religious, the religion of Islam as practiced by the Nation, the so-called Nation of Islam, is no similarity between orthodox Islam and what the Nation of Islam practices.

CG 100-35635

JOHN:

Well, if you must understand

AUBREY:

If you must talk religion in here, one of the principles of Islam is that you pray five times a day and there are certain steps and procedures that you must go through in order to pray. Now, in all the years that I have been in that temple, members have been trying to get the minister to teach them how to go through these "rakas" or how to perform the prayers. They have not been taught yet.

JOHN:

Well, that is something that I say is a lie. I mean, how we - again you must understand. I can understand your being so innocent not knowing because you are being used like so many of our people, being used by the white man to fight one of their causes. Because one, how I practice religion. If I want to worship this cup and worship it on that table or on top of the table, that is up to me. There is no such thing as orthodox -

AUBREY:

Well, if that is what you want to do, that is what you should tell, that is what you tell the public. That is what you want to do -

JOHN:

You don't have to tell the public. You tell the public -

AUBREY:

You shouldn't tell the -

JOHN:

You don't have to tell the public.

AUBREY:

public one thing and do another thing.

CG 100-35635

- KUP: One at a time, please.
- JOHN: It is surprising how you allow yourself to be used like this.
- AUBREY: Now, the farthest concern -. Let's go to the University of Islam.
- JOHN: It is one -
- KUP: JOHN, let him finish.
- AUBREY: Now, a university by all accepted practices, and Dr. LINCOLN, you straighten me out, you straighten us out on this -
- JOHN: Speak for yourself. I asked for no flat reason like that for your magazine article.
- AUBREY: Now a university, in order to be classified as a university in this country, you have to have a certain number of undergraduate and graduate schools. Now the Nation of Islam has been advertising for years in their brochures the University of Islam.
- JOHN: All right, bring it out.
- AUBREY: This is only a grammar school.
- JOHN: Bring it out.
- AUBREY: It is only a grammar school. It's not a university. It doesn't have any colleges. It doesn't have any college students. But yet it's advertised as the University of Islam. This is a fraud.

CG 100-35635

JOHN:

All right, let's go to that now.
You say that is a fraud.

AUBREY:

That is a fraud.

JOHN:

Well, this will show you how little - I mean, to be a college student, this is really surprising. This will show that you are still on the indoctrination of the whites. In fact, under Mr. MUHAMMAD we are the only people who rightly have the title to use the word University because ALLAH is the God of the universe and Islam is universal. And using names, any person may use any name they wish to go by as long as they are not using for, is not an illegal name. And Islam is universal -

AUBREY:

It is a fraud.

JOHN:

And so when we say university, the University of Islam has never been represented as a school, as a school of graduate studies. It has been always been told -

AUBREY:

Just a minute, by all accepted standards a university has to have -

JOHN:

That is by your, by white man's standards. By your standards. By the things that you go by.

AUBREY:

When we live in a -

JOHN:

We who

AUBREY:

country we usually use the English language.

CG 100-35635

JOHN:

We who have knowledge, we have, we know, that when we say the University of Islam it is referring to the school and -

KUP:

Let me get this straight now, JOHN -

JOHN:

Yes?

KUP:

You say the University of Islam is a grade school?

JOHN:

It goes from the kindergarten to the 12th grade. Right. And it has never been represented as -

KUP:

It has nothing to do with -

JOHN:

It is not a graduate school,

KUP:

Or a university.

JOHN:

The name of the school is the University of Islam.

KUP:

Well, the -

JOHN:

Because Islam is universal, It assuages (?) even more than this world.

KUP:

Well, you explain that by saying this is your decision to qualify that name.

JOHN:

No. Mr. MUHAMMAD's decision,

KUP:

Yes.

CG 100-35635

JOHN:

To qualify this, which is his prerogative because university involves more than just locale of some buildings or 20 things. These are things of the white man's -

AUBREY:

It has to have a couple of undergraduate schools present there.

JOHN:

standards where they have the American Association of Colleges where they say in order for a university to exist and they have proof of it, say all right it must have 20 buildings, one library with 500 books and such and such like that. We're not seeking accreditation from that group and we're not representing ourselves as belonging to that group. And the right of this name to be on this school which goes from kindergarten to the 12th grade which anyone knows and if you've been there and if you ever was around, your eyes really are closed much more than what we thought.

AUBREY:

I've been in quite a few towns.

JOHN:

The school has never been represented as anything more than that. And if Mr. MUHAMMAD desires

AUBREY:

It has been represented as the University of Islam.

JOHN:

This is one of the reasons why he has this \$20,000,000 program is to build, is to build schools of our own among our people. And to have, and he's been stating this that he wants to build. It is in his program. He wants to build; he wants to build houses.

CG 100-35635

AUBREY:

That is part of a program. That is a program.

JOHN:

And we have children, we have over 500 children. We have children now who are going to school and we don't have delinquency existing among our children and if we had the facilities we would have -

AUBREY:

This is another fraud.

JOHN:

more than Muslims going there.

AUBREY:

This is another fraud. That you don't have delinquency existing among Muslim children.

JOHN:

Right. The only delinquent we have is you and we're -

AUBREY:

I'm not -

JOHN:

glad that you're not with us.

AUBREY:

I'm not going to belittle, I'm not going to belittle anything that you -

JOHN:

You belittle yourself by being in public.

KUP:

Let him finish, now. One at a time.

AUBREY:

If you do something --, I give you credit for it. But when you say you don't have any juvenile delinquency among Muslim children, you're deceiving the people or you're deceiving yourself. Because juvenile delinquency definitely does exist among the Muslim children.

JOHN: Name one. Name one.

AUBREY: Several cases.

JOHN: Name one!

AUBREY: In Boston.

JOHN: Name one!

AUBREY: In Boston -

JOHN: Name one!

KUP: Well, let him name it, JOHN.

AUBREY: In Boston, there is a case -

JOHN: Name one!

AUBREY: where a child was taken away from -

JOHN: Name one!

AUBREY: his Muslim parents and taken to his Christian parents in order to stay out of reform school.

JOHN: Name one!

AUBREY: In Boston, Massachusetts, that is the case.

JOHN: Name the people. I mean you are citing something that it is a hypo -

AUBREY: That is the case.

JOHN: Hypo, hypothetical proposition.

AUBREY: It is not a hypothetical case. I know the case.

JOHN:

Name and names.

AUBREY:

I know the case very well. And in fact -

JOHN:

Name the names. You say something which is irrelevant, immature and not pertaining to the issue. You are a man which does not deal with facts.

KUP:

Let's pause here a moment for a message and we'll be right back.

COMMERCIAL

KUP:

GORDON, you want to get a word in edgewise between these two combatants.

GORDON:

I'll try to. If we accept the basic premise from this side of the table that a group establishes itself as a religion in this country and once having established itself, that no criticism should come, therefore, because the person has his own religion and that is his business and not yours or mine. This would mean then that let us say, then that we can have a Christian group anywhere in the United States set itself up with the word "Christian", which is done all the time, the country is loaded with hate groups with the word "Christian" in the title, -

JOHN:

(Starts to speak)

GORDON:

Let me finish. And then they began to assault Roman Catholics and Jews and anybody that they happen to dislike, but because they are a Christian religion, so-called; and incorporated under that title, no one is allowed to say anything

CG 100-35635

about the viciousness of the attacks on other groups because they are a religion. This is a totally false premise and the Muslims, like everybody else in the United States, are subjected to press criticisms, television criticisms, analysis and all the rest. There is nothing sacred about ELIJAH MUHAMMAD although apparently you think so.

JOHN:

Well, I'd like to answer you on that. I mean, I can appreciate and understand your type on this because this is written what would be done. Because Mr. MUHAMMAD is a man of God, and we don't object to criticism. In fact, we expect it because it is written that the last day, the last day would have attacks from unbelievers and hypocrites and devils. And so, we can expect this. We understand this coming from you. Because you are opposed to Islam from the very beginning. It is not your nature to accept it. And we can understand your criticizing it and going against it and also opposing it and getting others to do this because it is written, that you'll be doing this.

GORDON:

You weren't listening to what I was saying before.

JOHN:

Because, and from your attack on Mr. MUHAMMAD's position. From your attack on Mr. MUHAMMAD, this shows the, this shows the shallowness of your mentality. I mean, you attack the man because you are on this program.

GORDON:

I simply said there is nothing sacred about him. Has that become an attack?

JOHN:

I mean he is sacred. I mean, we say that he is a man from God. And not something incorporated or going into the laws of the state on the religion laws. I mean something that he has a message directly from God. And if you object to his methods -

GORDON:

A final point, -

JOHN:

You have the -

GORDON:

A final point -

JOHN:

opportunity tomorrow because he will be at the Coliseum speaking there tomorrow at 2:00 PM and never yet has any white person come up and denounced the teaching that he's teaching for the past 34 years as being something false or fraud as they have paid people among us to do. This has never, there has never been one white man to denounce him. I mean, the man is teaching a religion. He is teaching our people to clean themselves off; he is teaching them not to be addicts. He is teaching them to be self-sufficient and to do things for themselves. Why should you object to this? Why should you denounce this man as not being sacred? What has he done to you? How does this interfere with you? Teaching our people the principles of Islam -

CG 100-35635

GORDON:

Can we go back to what I said?

JOHN:

No. Wait a minute, -

GORDON:

You're making a long-winded, -
Can we go back to what I said.

JOHN:

No. You're trying to disguise
yourself and cover up your
hatred for this man which we
all know about.

GORDON:

I mean -

1

CG 100-35635
CES:pma

- JOHN: Because you have
- GORDON: You said a few minutes ago that you never heard about me.
- JOHN: Why are you concerned about him?
- GORDON: You said a few minutes ago you never heard about me. So how do you know about all the things I've said?
- JOHN: Why are you concerned about him? Why do you come on this program? To discuss MUHAMMAD? I told you -
- KUP: Wait one second. This is getting no place, JOHN. Let me turn to Dr. LINCOLN. Let me turn to Dr. LINCOLN, on one side. Dr. LINCOLN, you've made a definitive study of this group. I'd like to get your opinion of the Black Muslim movement. There is no doubt there is some good points to the organization.
- LINCOLN: Well, as you know, I made the study as a social philosopher not as a partisan, not as an opponent of Islam and not as a salesman for Islam. What I did, beginning in 1956, was to try to study the movement with all of the tools that a sociologist

CG 100-35635

LINCOLN:

normally uses and to get as much insight into the movement as I could get. I feel that I know a little bit about Islam as it is taught by Mr. ELIJAH MUHAMMAD. I do not claim to know all. After all, I was a person outside the movement and not inside and there were certainly some things that perhaps I possibly do not know. But nevertheless I feel that I know something about it and certainly I know something about it from the point of view of a sociologist.

KUP:

Now, you made a statement that there is about 100 thousand members which AUBREY has differed with you on. He claims the membership is much much smaller. About 7,000 I think, according to your article. Is that right, AUBREY?

AUBREY:

Yes. The present membership is at around 7,000, at the peak.

JOHN:

Well, I'd like to comment on that because, one -

KUP:

One second.

LINCOLN:

I'd like to speak to the question. At the time I began research on the movement in 1956, this was several years ago and my estimate of 100,000 members was made around 1960 when the movement seemed to have gained membership and seemed

CG 100-35635

LINCOLN:

to have been at a pinnacle.
I have never offered this number
as a hard and fast number for
the membership.

KUP:

Would you make a guess about
its membership today?

LINCOLN:

This was the number at which
I arrived at through my, through
my own calculations, my visits
to many, many temples, to
questionnaires that I sent out,
to talking with other people
and so on. And this also was
not limited to what you might call
card-carrying Muslims. One thing
about the Muslim movement is that
there are many people who apparently
follow the teachings of ELIJAH
MUHAMMAD who are not formally assoc-
iated with the movement. Now whether
the membership of the movement is
down to 7,000 now as Mr. BARNETTE
claims, or whether it is up to
200,000 now as Mr. MUHAMMAD claims,
I frankly don't know.

JOHN:

Well, I'd like to make one point.
Mr. MUHAMMAD is not claiming any
membership of any figure. I mean,
well, first of all you must under-
stand the nature of Mr. MUHAMMAD's
mission. I mean, his job is
delivery of a message to the
so-called American Negro and the
principle of Islam is based on
principles of practice or beliefs,
five principles. One is belief

CG 100-35635

JOHN:

in the law of the apostles and the books they wrote, prayer, charity, fasting, and pilgrimages when they are financially and physically able. And anyone, if they are practicing no principles, can be a Muslim or may not be a Muslim. It is up to the individual and if a person is practicing a principle that is what makes them a Muslim. And they can be practicing a principle and not necessary for a person to attend our mosque, too, in order to be a member. They can read Mr. MUHAMMAD's life in the paper. Anywhere they get it. They can get it from another person. And that is up to the individual, because we are not claiming membership of any nature.

KUP:

(Starting to speak)

JOHN:

I was going to say this, Mr. KUP. Mr. MUHAMMAD is teaching on nationwide radio across the country every Sunday. We have our paper which is one of the, is the widest circulated news medium among the so-called American Negro that is getting his message out. And any one of the people all across the country hearing may at one time or may at another time be practicing the religion of Islam. And this is what makes a person a Muslim and not cards. We don't carry any cards around or anything of that nature.

CG 100-35635

AUBREY: What is the purpose of the letter
that is sent out, JOHN?

LINCOLN: May I speak?

AUBREY: Each prospective person who attends
a temple meeting, he receives a
letter. And he fills it out and either
says he has attended two or three
meetings and he believes in the
teaching and then he signs his name
and he gets an answer back.

JOHN: Well, that explains itself.

AUBREY: That is the same as his enrollment.
What is the purpose of it?

JOHN: It explains one who has attended the
meeting. But we have people who read
the "Muhammad Speaks" newspaper,
which is out every Friday. With
the newspaper we have people
listening to Mr. MUHAMMAD's broad-
casts which are, which we have on
one of the most powerful transmitters
in the country, on XERF which
broadcasts not only in the United
States but all the way up -

AUBREY: But certainly you don't have -

JOHN: to the Dominion of Canada, South
America and other places.

AUBREY: But certainly you wouldn't have a
letter to, certainly you wouldn't
have a letter to claim a person
who has been to a -

CG 100-35635

- JOHN: This letter -
- KUP: One minute.
- AUBREY: teaching or not. I mean, it is obvious if you see him there at the teaching, he's been there at the meeting. Why give him a letter?
- JOHN: Mr. MUHAMMAD, I mean, Mr. MUHAMMAD and his ministers. They study. After a person hears, they don't have the--. Like you, you're not responsible for yourself anymore. All his job is the clear deliverance of his message to our people and not necessary for them to attend our meetings or attend in mosques or attend meetings of that nature in order to follow. They're told to either accept it or reject.
- LINCOLN: I want to return, if I may, to the question of membership. Because I think that it is important insofar as Mr. BARNETTE has found one figure and I have suggested another. I interviewed Mr. MUHAMMAD less than three hours ago and he said to me at that time that his membership was certainly in excess of 200,000. He did not nail down the figure.
- KUP: What did he base that on, Dr. LINCOLN?
- LINCOLN: Officially, I did not ask him his basis for it but he said that. He also said as far as people who were following him who

CG 100-35635

LINCOLN:

were not, I hope you don't find the word offensive, by card-carrying Muslims -

JOHN:

I was going -

LINCOLN:

I don't intend to take offense.

JOHN:

I'm not understanding you, Doctor.

LINCOLN:

All right then. Well, he said, that insofar as followers were concerned he perhaps had well over a million. He said perhaps and he didn't know. He did not attempt to be definite at that point.

KUP:

Did he explain why the attendance at the Coliseum is so small then, if he has such a large membership?

GORDON:

--and much less attendance today.

JOHN:

Well, I'll say this -

LINCOLN:

May I continue my statement, please? He also said further that in the last year, this is a statement since the defection of MALCOLM X, it is his claim that the membership has doubled. There is one other point I would like to make for clarification about attempting to take sides here.

KUP:

Well, let me ask you before you leave that field, do you,

CG 100-35635

KUP:

as a sociologist, do you accept this as face value or do you have some system of checking this figure?

LINCOLN:

I have no way, no accurate way of course of checking the membership of Islam. I don't believe anybody has. For an organization of this type, it is impossible, so far as I know even for anyone who is a member of the organization to say with accuracy what the membership is.

KUP:

And you're saying his figure may be as wrong as the 2 million or the 1 million or the 100 thousand. Anyone may be wrong.

LINCOLN:

I figure, I would say this. That Mr. BARNETTE arrives at his figure and certainly through a method that he believes to be accurate and true. And I try to do the same thing. But of all the people who have been studying the Muslims and there have been many, I do not know any 2 people who agree on number. I don't think that they can.

KUP:

Un huh.

LINCOLN:

Let's take ALEX HALEY (ph.), LOUIE LOMAX, and since I have been studying the Muslims I have received hundreds of letters from graduate students all over the country and from police officials who have been studying officials who have been

CG 100-35635

LINCOLN:

studying the movement and I have never seen two figures that were identical. Also, I will be frank with you. I simply don't know.

KUP:

Yes, that's understandable.

JOHN:

Mr. -

LINCOLN:

One, one other thing. Just as a matter of academics. The question of the word, the use of the word university. I may be able to clear up something along this line. Back in the 1860's and 70's, when most Negro colleges were established in this country, they almost invariably called themselves universities. I think that this was probably to show their aspiration to become universities and probably to elevate at least within their own minds what they themselves were doing. To give you a concrete example. I teach at Clark College in Atlanta, which was established in 1869 as Clark University, when it was really just a normal school at that time. They didn't drop the name university until 1940. I can give you another example. Claflin College in South Carolina, which is a school much smaller than mine, calls itself Claflin University. So, I think, this is perhaps, I don't know Mr. BARNETTE, but

10

CG 100-35635

LINCOLN:

this is perhaps how the use of
the name came to be.

KUP:

While we're talking about
membership, let me get to another
point which I think is very
serious. JOHN, I'd like to get
your opinion. Because I think
AUBREY touched on a very important
thing here. He says in the
Saturday Evening Post article
that he came to realize that the
one thing the Muslims cannot live
with is success. The Muslims
want no part of successful
people. For this reason Muslims do
not court prominent Negroes.
CASSIUS CLAY is one exception, of
course. But one thing that has
amazed many people is the lack of
any Negro intellectual, any Negro
of any prominence to support this
movement.

JOHN:

By explaining intellectual -

KUP:

Can you explain that?

JOHN:

I mean, intellectual means
dealing with a person who has
knowledge. It can mean someone
who is, when you say intellectual
what do you mean, intellectual?
Do you mean someone having
degrees, going to college and
who have a string of degrees?

KUP:

Let's not get into a battle of
semantics.

CG 100-35635

JOHN: I want to know what you mean when you say university.

KUP: I didn't say that. I said intellectual.

JOHN: Because we have, because we already had difference of words here on university.

KUP: There are many Negro intellectuals. Dr. LINCOLN is recognized as one. RALPH BUNCHE, -

JOHN: Well, I'll tell you.

KUP: There are thousands of Negro -

JOHN: Well, I'll tell you. All the Muslims who follow Mr. MUHAMMAD we call them intellectuals.

KUP: Well, you know they're not, though. To classify the American Negro, -

JOHN: I mean, according to whose standards are you going by? By your standards? The white man's standards? Or are you going by -

KUP: No. I'm going by the accepted standards.

JOHN: Are you going by the standards of the world? Or what people have -

KUP: I'm going by accepted standards, JOHN. Apparently -

JOHN: Are you going by the accepted standards where people are concerned

CG 100-35635

JOHN: about the knowledge of themselves? I'd say that we're all intellectuals. Because it takes a very intelligent man to recognize when he has been lost and cut off from his own people and realize he must now do something for himself. And Mr. MUHAMMAD -

KUP: Name one intellectual, the status of Dr. LINCOLN -

JOHN: I'll name one -

KUP: Mr. RALPH BUNCHE, or anybody else.

JOHN: I'll name one greater, Mr. MUHAMMAD, because he himself, the very fact that he had this discussion on your show shows he was intellectual. If he wasn't, you would not be discussing him. Here's a man who -

KUP: No, we discuss people of all walks -

JOHN: I mean if he were -

KUP: of life. That's no category.

JOHN: I mean, by the very fact that he is intellectual is the fact of your conversation here. Because why would you be concerned about a man who went less than a normal grade school education and you have doctors here, you have doctors here, you have Congressmen here and you have college graduates. Why are you college graduates concerned about this little man who is an uneducated man, according to your standards?

CG 100-35635

- KUP: Well, do you mean that if we're discussing the Klu Klux Klan, -
- JOHN: Wait a minute -
- KUP: on the same level that you would say these were intellectuals, because we're discussing them?
- JOHN: No, -
- KUP: Is that your argument?
- JOHN: No, I'm saying this. It is even more to his credit that he can take people who were formerly dropouts out of school - inspire them to do things for themselves.
- KUP: Well, let me go back to the original question, JOHN.
- JOHN: If we felt like going to school, we have, we don't make claims. We're not braggarts or going around bragging and saying who we have in our midst. Because in Islam we accept everyone; whether they be uneducated or educated, whether they be professional or unprofessional. I mean, we have many in our group. I don't mean we don't go around telling you that this man does good. Like they do in the American society where they have these status symbols and things and we, who belong to a certain category that you had \$10,000 and you have a ranch home and all these different things. Because we're not concerned with those status symbols. Or you go to Brown University, -

KUP:

Well, you made your point; will you hold it?

JOHN:

Because I've gone to school myself. We have a -

KUP:

Let me turn to a sociologist. Let me turn to a sociologist. One second, JOHN. This will be an interesting point for a sociologist. Can you explain, Dr. LINCOLN, why on my terms, no Negro intellectual or no Negro of any stature has accepted or supported ELIJAH MUHAMMAD, the Honorable ELIJAH MUHAMMAD?

LINCOLN:

Well, essentially this is a mass movement. And as a mass movement, it will have an appeal to a certain class of people which will not normally -

KUP:

What kind of people would you say are included in this class?

LINCOLN:

I would say that it would appeal primarily to the people who are the most disprivileged, the people who are the farthest down and the people who have not been, for reasons of various kinds of profession, to make their way successfully in today's world in which they live. And these are likely, though not exclusively, they are likely to be the people that include fewer of what we would call intellectuals and other groups. However, there are some people in the Black Muslim movement

15

CG 100-35835

LINCOLN:

who are well-educated and I can think of at least one who might be called an intellectual. This is LONNIE CROSS, who has a doctorate in mathematics from the University of Michigan, I believe, and who was chairman of the department of mathematics or at least taught mathematics at Atlanta University. I believe he is at your Washington Center.

JOHN:

In fact, we have many intellectuals. Dr. CROSS is one of your associates. But we have many more who go to college and schools -

LINCOLN:

This I don't doubt but I just want to point -

JOHN:

We graduate them ourselves. We have some going to Harvard. We have some going to Brown. We have some going to Loyola, right here, the University of Chicago. We have some going to, going all over to schools.

AUBREY:

(starting to speak) - In the whole time I was in your organization, -

JOHN:

Let me finish -

KUP:

Go ahead, JOHN.

JOHN:

I want to talk. Let me finish. One more thing you understand, too, is what you might call the intellectual classes going on. Anyone who made a study of revolution or change always

16

CG 100-35635

JOHN:

finds that the intellectual class are generally the privileged class going with the present society. And Mr. MUHAMMAD is teaching a religious movement which is dedicated to change in the last day. Where a divine God with the, or the God will be behind them. And you have a similar parallel, a precedent in the history of Moses. Because Moses too, history is compared to Mr. MUHAMMAD. They were both uneducated people and they had what you call the uneducated with them. I mean the people that were following Moses were uneducated and the intellects opposed him like they oppose Mr. MUHAMMAD. And they objected to him because they went along with the Pharoah. Because the benefits and the stature they received were granted by the Pharoah. And this is the only way they could maintain these things by continuing to go along with Pharoah.

KUP:

Your history is a little bit wrong, JOHN, but we have to, pardon me, JOHN, we have to interrupt for a message. We'll be right back.

COMMERCIAL

KUP:

A short time ago, gentlemen and audience, we had the late MALCOLM X on the show and we'd like to show you a clip from our previous broadcast of January 30th, a few weeks before he was assassinated; to show you what he said on this show, after which we'll come back to hear from CASSIUS CLAY.

VOICE:

MUHAMMAD is a faker and -

MALCOLM:

If ELIJAH MUHAMMAD really believed in the same god that I believed in; I believed in ELIJAH MUHAMMAD stronger than he believed in himself. I believed in his God more than he did and I was not aware of this until I found that he was confronted with a crisis in his own personal moral life and he did not stand up as a man. Anybody can make a moral mistake but when they have to lie about it and will be willing to see that murder is committed to cover up their mistake, not only are they not divine, they're not even a man. If a man sits as a judge and a woman is brought in front of him and charged with adultery and the judge himself is the one with whom she committed adultery but the judge stands up and berates the woman, letting no, in order to make no one even suspect that he is the real criminal who was involved with the woman and humiliates her and then sends her into isolation, completely destroys her reputation, with no kind of protection for her, of her whatsoever. And she takes it, she loves him so much and believes so strongly in his sense of justice so much she allows herself to be projected almost as a prostitute and that man permits this, then that is not a man. To have gotten weak for a woman is one thing. It is human, and it is natural. But after getting weak and completely destroying her reputation, to do nothing whatsoever to protect her as a woman, then he is not a man. And to commit murder and to see followers line up to kill each other and to mutilate each other, then this is not a man.

18

CG 100-35635

VOICE:

Doesn't ELIJAH MUHAMMAD preach non-violence and the non-use of guns and weapons and so forth?

MALCOLM:

When I was in the Black Muslim movement we never carried weapons. We were taught against that. And we were never taught that. We never actually fought at any time. We were told that God was going to come, you know, and do all these things. When the Muslim brothers were beaten in Louisiana, we weren't allowed to fight back. Nothing was done to equalize the situation. ELIJAH told us that God would come and do it. But to show you that there is lack of consistency. Now he orders his followers to go out and attack each other, to mutilate each other. If the ability, the talent, the skill, the know-how, the Black Muslim brothers have been trained into were used against organizations like the Klu Klux Klan or the White Citizens Council or the racist elements in this country, then I could somewhat go along with the present trend of their fighting each other, too. But when all of their physical energy is expended fighting only, fighting each other then I say something is wrong.

KUP:

Are you trying to tell us that there's been an attack on your life because of your withdrawal or dismissal from the Muslim organization?

CG 100-35635

MALCOLM:

I've had, I've had several.

KUP:

You have?

MALCOLM:

And just thanks, thanks to Allah, I, so far, I've been successful. But I'm like this. I believe that when you are born, a black man born in this particular society, you are faced with certain dangers already. You get used to it and plus the stand I took when I was in the Black Muslim movement was uncompromising. I defended an indefensible position, I think, and I was that indefensible position. Anybody who defends an indefensible position as well as I did must have believed in it.

KUP:

You want to apologize to me for our first argument many years ago -

MALCOLM:

No. No. No. I won't apologize, KUP. For this reason. You see, I don't think that the burden is upon any black man in this society to apologize for any stand he takes for this reason. Most of us are attracted to things extreme primarily because of the extreme negative condition that we live in and that has been permitted to exist already far too long.

KUP:

Yeah, but our first argument, Brother MALCOLM, was not over that condition which I readily admitted. Mine was over the position of the Black Muslims, the very thing that you are now denouncing and let me say this -

MALCOLM:

Mind you, when I denounced it I said this; that I'm not denouncing it because society wants me to or some agency wants me to. And I'm not denouncing, I can explain its existence and defend its existence.

KUP:

That is because you're very glib and very able with words.

MALCOLM:

No. No. The Black Muslim movement is the result of the failure of a society. The hate that exists in the American society is what has produced the frustration that exists in black.

KUP:

The same thing is true of the Klu Klux Klan.

MALCOLM:

No. No. No. It is a different thing altogether.

KUP:

But the same thing is the root of racial hatred, is it not?

MALCOLM:

No. No. No.

KUP:

Sure it is.

MALCOLM:

The Klu Klux Klan is a part of this society.

KUP:

It is the result of racial hatred.

MALCOLM:

No. The Klu Klux Klan -

KUP:

and your Black Muslims is the result of the racial hatred at the other end.

CG 100-35635

MALCOLM:

Sir, the Klu Klux Klan is, is a part of the society which has absolutely not fulfilled itself, fulfilled its promise for 22 million black Americans. And it is the part of that society that has been used to frighten the black Americans into taking positive action to eliminate the negative conditions. Now, the Black Muslim movement is the result of frustration that exists among black people and who see no hope of the society itself creating a real door so they take the door that is placed in front of it. Now, I myself as I said, I am a Muslim who believes in brotherhood and who believes in not judging a man by the color of his skin. But on the other hand, I have to face the reality of the fact that I live in a society in which brotherhood has not become a reality and because of that, then I have to take a stand that is uncompromising on the side of my people against anything or any person that stands in the way of our being recognized and accepted as human beings in the same context with all of humanity.

KUP:

We have to pause here for a message but before we do, I'd like to make a point that we knew that MALCOLM probably would say some derogatory things about ELIJAH MUHAMMAD and we asked the Black Muslims or the Muslims as they prefer to be called, to have a representative here, either in person or on the hot line. They declined but they said they may have an answer here next week.

22

CG 100-35635

END OF FILM CLIP

KUP:

And now we can switch to that next week and representing the Muslim organization is the heavyweight champion of the world, CASSIUS CLAY, who prefers to be known by his Islam name, MUHAMMAD ALI. JOHN, I think that's the right facts, are they not, that you promised to have the champ here the following week?

JOHN:

I did.

KUP:

All right, we'd like to have you see now what the champ answered in his appearance the following week.

FILM CLIP

KUP:

Champ, last week a friend of yours, MALCOLM X, said on this show here and he denounced the so-called Muslims of which you are a member and he denounced the man you call the Honorable ELIJAH MUHAMMAD, the leader of your group. Perhaps you had a report on this and I wonder if you would like to retaliate because at that time the Muslims told me they'd like to have you come on and answer MALCOLM X.

CLAY:

I have one thing to say. First of all, I am the heavyweight boxing champion and by accepting the Islamic religion here, it has seemed to cause a disturbance and hundreds of people are joining and are sympathizing

with it daily but they're just not recognized because they're not famous but they've made a big case out of me and they're putting me in the position of being an authority or a minister which I am not. The knowledge that I have is a grain of sand in a desert compared to the knowledge of the Honorable ELIJAH MUHAMMAD. So what, as far as MALCOLM X is concerned. I mean I don't even think about him. We don't think about him and I'm not retaliating. I don't want to say anything about him. I'd rather not talk about him. He's nothing but a fellow who was an ex-dope addict, a prisoner, a jailbird who had no education, couldn't read or write, who heard about the Honorable ELIJAH MUHAMMAD, who took him off the streets, cleaned him up and educated him enough to go out and debate and you might say defeat any opponent that he met in interviews and -

KUP:

Debates?

CLAY:

Yeah. So now that he has, you know he made a statement about an airplane blowing up, 130 whites from Atlanta, and he wasn't representing the Honorable ELIJAH MUHAMMAD when he said that. And naturally he had to let the world know that he's not that kind of man to make mark of things like that and also the death of the President, the great President KENNEDY, one of the best presidents we ever had in America. He also rejoiced over that. So naturally

CLAY:

the leader is a wise man. He had to set him down and tell him that we don't do things like this. The press kept building him up and making MALCOLM X think that he was the number 2 man. MALCOLM X the number 2 man. MALCOLM X this. Well, if you don't know much about this you would think MALCOLM was the leader. And he got the big hand. The press got it and now he was. He couldn't take the spanking. He disobeyed our leader. He came down to Miami, Florida. I was nice enough to pay his way and his family's to Miami, Florida. And I took him his dinner every day. Because he couldn't eat in the motel that he was staying in because they served--. And I have heard him say many a time that we are not Black Muslims. That is the name the press gave it. I understand that he was on television saying that we are Black Muslims. I understand that he also said that he didn't, that he had heard that Islam in the East is taught different from it is in the West. And he believes in the Holy Koran and the teachings of its people. Well if that is true, those people in the East believe in the Holy Koran. They have the Holy Koran. And in the Holy Koran it says that Muslims don't take Jews and Gentiles for friends. Or use a Christian for friends. So how can he go back and say that everybody's the same according to Islam when the main book that they read in the East says this.

25

CG 100-35635

KUP:

Well, I'm glad for one thing -
that you don't want to attack MALCOLM
X as you said in your preface (laughs).

CLAY:

Oh, no. We don't even -. Oh, I
forgot, another thing I want to
say, too. He is no longer MALCOLM
X as he has denounced. This -,
why go around calling himself MALCOLM
X?

KUP:

He says Brother X, I think, or Brother
MALCOLM, rather.

CLAY:

He is none. He is just MALCOLM LITTLE.
L I T T L E. Little, nothing. Just
like he was before he heard this.
He's MALCOLM LITTLE. He's no more X.
X is a badge of honor that you receive
once you become a follower of Honorable
ELIJAH MUHAMMAD. So now that he has
denounced it, understand that we should
break up this calling his MALCOLM X
because he's no longer X..

KUP:

Well, I'm glad we should, I'm glad we
can resolve this whole problem with
one little statement by you and
forget about the religion.

CLAY:

That is all. I'm, I'm -

KUP:

I think it is very commendable of
you to say you're the heavyweight
champion and you speak only as a
heavyweight champion and not as a -

CLAY:

and don't talk -

KUP:

and not as an authority on -

END OF FILM CLIP

CG 100-35635

- KUP: Did you, did anybody have any comment on -
- JOHN: Yes, I'd like to say something on that -
- KUP: - get some contradictory viewpoints expressed here?
- JOHN: One, as a result of MALCOLM's death. The press has used his death in order to create and generate more opposition to Mr. MUHAMMAD. You know, it is really surprising to see the extent that white people will go, to, in order to gain opposition to MUHAMMAD. They will even take someone who denounced a president or who make a mockery of some of their own people who died in order to build up opposition to MUHAMMAD.
- KUP: Why do you say the press does that? The New York -
- JOHN: and the authorities -
- KUP: police are the ones that say the man they have arrested was a member of your organization. It wasn't the press.
- JOHN: No. I beg your pardon. They have not. The press, too, they have used this. They put statements out that someone is coming after Mr. MUHAMMAD.
- KUP: The press hasn't made up these statements. These were all made by people who -

CG 100-35635

JOHN:

The press has done this. They have done this. They say they have names of it. If they have someone making a threat against them, the only proper thing to do is to arrest that person. But they have permitted this thing to go on because they hope to promote some type of conspiracy in an effort to see that Mr. MUHAMMAD is killed.

KUP:

Who wants to?

JOHN:

Well, like I say anyone doing this is meeting their own certain doom.

KUP:

Who wants to?

JOHN:

Anyone. I say white America is doing this because they have never yet permitted anyone to go on TV or radio and make threats and against a man's life. I mean, like here this is a legal matter. But they have permitted this thing to go on in the case of Mr. MUHAMMAD. And he is not afraid and neither are his followers afraid. And he stated yesterday at the Coliseum that anyone that is going against him, I mean, they is playing with their, I mean, their own doom. And they're using this incident of MALCOLM's death in an effort to generate opposition -

KUP:

I don't know who you mean by that. The New York Police are the ones who

28

CG 100-35635

KUP: cited the man they arrested as
a member of the Black Muslims.

JOHN: They are citing this. This is a
matter for the court. I mean
they say, even then, a man is
innocent until proven guilty, until
proven guilty.

CG 100-35635
CES:cmb

KUP:

Nobody said he is guilty. They just arrested him on charges.

JOHN:

I'd say this is so. Which I don't know -

KUP:

GORDON, -

JOHN:

I'm saying that they have never yet permitted anyone to go on TV and give a man nationwide cover, week after - day after day, and let the world know that he is coming after Mr. MUHAMMAD. This is unprecedented. And this shows the hypocrisy of the authorities themselves -

KUP:

Why do you think the authorities are surrounding the Coliseum, if not to protect ELIJAH MUHAMMAD?

JOHN:

Why are they - . They're not trying to protect Mr. MUHAMMAD. Yesterday they offered their protection to him. But they won't even get their police guard in front of his car going to the Coliseum. They put the car, the police guard, in back of his convoy and stopped at every red light and so in case someone is after him they can get him and say they hope they got him.

KUP:

Now, JOHN, you know that's ridiculous charges. The police -

JOHN:

The police -

KUP:

are out there 100 strong to protect ELIJAH MUHAMMAD from any possible injury.

CG 100-35635
CES:cmb

JOHN:

They're not doing their job the right way.

KUP:

You know that they've taken every precaution possible.

JOHN:

They're not doing their job the right way. If they were doing it the right way, they would do it the right way. I mean, we know something true about how to protect a man and Mr. MUHAMMAD is well protected. And we're not asking for police protection. They're doing this on their own. But they're doing a job which -

KUP:

Now you're making a contradiction.

JOHN:

They're only making a show of it.

KUP:

First of all you say the police are doing it on their own. Why are they expending over 100 men or more to protect -

JOHN:

This is their duty.

KUP:

If they're doing it on their own -

JOHN:

We're citizens, too. Like the man says, we pay taxes like anyone else. We're a member of society. We're entitled to -

KUP:

You certainly are. That's what the police are doing.

JOHN:

And Mr. MUHAMMAD says if the police couldn't stop it, we'll stop it.

KUP:

But the police are doing everything they can.

CG 100-35635
CES:cmb

JOHN:

But, if they permit people to go around and make threats at us, which they are doing -

KUP:

Well, you can't stop a person from making a threat. You can arrest him if you can find him.

JOHN:

Oh yes, you can. You don't give them publicity. You don't put them on your TV show and make threats. You don't -

KUP:

They'd like to find them. Why do you think they're searching the highways for -

JOHN:

You let a person come on your show and make a threat?

KUP:

No.

JOHN:

Mr. KUP, I mean, no, let's not be naive now.

KUP:

Who made the threat?

JOHN:

I mean, they had people making threats. LEON AMERCE (phonetic) and other people saying they are going to threaten Mr. MUHAMMAD's life. I mean, this is something they want to promote in this country. We know this.

KUP:

GORDON, you wanted to get a word in edgewise.

GORDON:

We hear a lot of words but very little real hard information. To begin with, the courts have already convicted in Massachusetts, KUP, a number of Muslims, actual active members of the

CG 100-35635

CES:cmb

GORDON: (Continued)

Muslim Mosque in Boston who were beating up ex-Muslims who have simply left not to tell their stories. AUBREY BARNETTE wasn't able to tell a story to the Saturday Evening Post until after he was beaten viciously. There are hospital records and there are court records and there are hard convictions. Now these are facts. These are actual members of the Muslim temple in Boston and elsewhere who have been convicted in the courts of the United States. And let's wait just a little bit longer about the shooting of MALCOLM and you will probably see that RONALD BUTLER is indeed an active member of the Muslim movement in the New York area. And the courts, and the courts of the United States will decide these matters regardless of all of this glossing over to decide, what thing we're talking about today.

KUP:

But you did say in a press conference, JOHN, that you did not know of any BUTLERS who was a member. Did you make that statement?

JOHN:

I didn't know of any. - didn't know any of them. Outside of knowing him as a member. I say we're making an investigation -

KUP:

But the police of New York said he was. For what reason -

JOHN:

The police say a lot of things in New York. They say they accused ones, accused of broke into our

CG 100-35635
CES:cmh

JOHN: (Continued)

homes in New York. They accused us of 108 charges against us. But the court proves this is wrong. And they arrested Mr. MUHAMMAD. He served five years in a Federal penitentiary for nothing. Because he practiced the religion of Islam. I mean, this doesn't make it right, because the police does it. They do a lot of things which are wrong in this country. This is one of the reasons why Mr. MUHAMMAD is in this country - to get our people free so they won't meet the doom that is coming from those who desire to do wrong. And for any white man to promote, to try. I mean, our people are well aware now of any white man taking a great interest in the Muslim movement. I mean, why are you trying to be a benefactor to certain Negroes. I mean, at this late day and time? I mean, why are you so much concerned with it? This is not your religion. I mean, what effect does this have on you?

GORDON:

We are all -

JOHN:

You say you are Unitarians. If you're Unitarians, you should be concerned with your own religion. And practice it. I mean, it's not your prerogative.

KUP:

JOHN, do you admit though, if a religion is a fraud - I'm not saying your religion is - but if it is a fraud do you mean that we shouldn't discuss it?

JOHN:

But this is not a fraud. Mr. MUHAMMAD, he says -

CG 100-35635
CES:cmb

KUP:

He claims it is a fraud.

JOHN:

Let him face Mr. MUHAMMAD. I mean, why does he seek God?

GORDON:

Oh, I'll be glad to debate him. Would you like to arrange a debate between the two of us?

JOHN:

I mean, you say he is a liar.

GORDON:

I'd like to arrange a debate and discuss the whole thing, everything, the religion -

JOHN:

We say you are not with the truth. But Mr. MUHAMMAD has gone out 34 years, - I mean, there, you all try to promote other people to attack him and to oppose him. I mean, this is written. In the Bible is one -

GORDON:

He is getting off the track here.

JOHN:

You're getting off the track because you tried to deny the fact that Mr. MUHAMMAD is a divine man and you try to mislead people into thinking that this is some type of religion that he concocted himself, that he is self-sent. He isn't from himself but he is from God and this is the outstanding thing that white people concentrate on, harp on, is to keep our people from following a man of God because they know that Mr. MUHAMMAD is the only salvation.

AUBREY:

The reason I say -

CG 100-35635
CES:cmb

KUP:

Let AUBREY get a word in.

AUBREY:

The reason I say the Muslims are a fraud, JOHN, is because there are so many contradictions between what the Muslims say they stand for and what they actually stand for.

JOHN:

Well, you haven't named one yet.

KUP:

Let him finish, JOHN.

AUBREY:

Okay. Next, starting we'll take - "Muhammad Speaks" newspaper. The first thing that you say is we want freedom. We want full and complete freedom. But do they give freedom to their members? No. The members in the organization of, in the Nation of Islam, live a completely dominated, restricted and confined life. They are forbidden to participate in society in any way.

JOHN:

I beg your pardon. Do you read the Holy Koran? The Holy Koran says there is no compulsion to religion. So evidently you don't even practice religion.

KUP:

JOHN, one second. Let him finish.

AUBREY:

You're not following the Koran. That's what I'm saying. You say one thing and give the members another thing. The members have to give up all their freedoms. Their freedom of association. Their freedom of speech. A Muslim member can't come out here and give his opinion of what he thinks is the matter. There is only one spokesman in every Muslim organization.

CG 100-35635
CES:cmb

JOHN:

Well I say, you don't know. You don't understand the organization.

AUBREY:

You don't have freedom of speech. You don't have freedom of association. A Muslim member can't, he is forbidden to attend a Christian funeral or a Christian wedding or anything like that. And he's completely controlled.

JOHN:

Well, I'd like to say. Let me say. I'd like to answer your question -

AUBREY:

So the Muslim members are not free.

JOHN:

I'd like to answer. You don't understand the organization. One, if you understand Islam, I mean, all members, all religions teach members -. Even the Catholic Church teaches their members not to consort with non-members. I mean this is prevailing in any religion.

AUBREY:

There is a contradiction again.

JOHN:

--not to consort with non-Catholics. They are even forbidden to marry non-Catholics except with the special dispensation of the Pope. Or the church -

KUP:

You don't know what you're talking about.

JOHN:

But they aren't taught to go to other churches and things. They aren't taught to read a bible other than the Douay Bible,

CG 100-35635
CES:cmb

KUP:

He's talking about meeting society -

JOHN:

I mean, even society. Anyone that is trying to do good, don't want to mess with evil influence and this doesn't mean you understand change.

AUBREY:

Anyone -

JOHN:

Mr. MUHAMMAD says even the Holy Koran say do not take Jews or Christians for friends.

KUP:

We have to interrupt here. Pardon me. We have to interrupt here for a message and we'll be right back.

COMMERCIAL

KUP:

We're back on the air, GORDON, and you wanted to get a word in.

GORDON:

I sure do. I'd like to say something just briefly about this whole question of freedom of religion in the United States. ELIJAH MUHAMMAD obviously, KUP, has the right to set up any kind of a sect that he wants and since he's being so amply protected today this means that we believe in this in this country and we allow him to practice. But freedom of religion does not mean that because he claims that he is sacred or divine that I have to accept it. I am free to disbelieve in ELIJAH MUHAMMAD and I most certainly do. Now many years ago Father Divine came along and told his followers and in no sense do I equate by the way Father Divine with ELIJAH MUHAMMAD. They were two different kettle of fish

CG 100-35635
CES:cmb

GORDON: (Continued)

indeed. But Father Divine told his followers that he was immortal and I was in Philadelphia and New York and I said he was not, and he was going to die some day. And I was considered extreme and a meddlesome white man and all the rest for saying it. Well, lo and behold, Father Divine is dead and he wasn't immortal and I wasn't incorrect nor disrespectful to suggest that maybe he thought he was immortal. But time is going to catch up with him, too.

JOHN:

Well, I'd like to say this, too. Mr. MUHAMMAD did not set this religion up. This is where you make your error. Or you don't make an error. I'd say you deliberately twist the facts in saying that he set it up. He did not set it up. Islam is the religion of God, and Mr. MUHAMMAD is the Messenger of God. And when you refer to Mr. MUHAMMAD or Mr. DIVINE as a kettle of fish, I mean, I wish you would use the same terminology in referring to the Pope or to the Rabbi or the members of your church. I mean this is not -

GORDON:

I'd be happy to. The Pope and the Unitarian Church are two different kettle of fish, too.

JOHN:

This is not being respectful. For you to use such shallow terms is not proper. I mean, let's be courteous anyway.

GORDON:

But your man, your man calls me a white devil all the time. That's very proper, isn't it?

CG 100-35635
CES:cmb

- JOHN: He says -
- GORDON: I'm a white devil. Don't forget that.
- JOHN: Your people call us for years niggers. And we had to prove that we were not.
- GORDON: Not all, not all of them.
- JOHN: He said that God told him. He said -
- GORDON: - doesn't and KUP doesn't.
- JOHN: He said that God told him and he answered us thousands of times through the white press, through the Nation, he writes in their paper and says on their radio that God told him that the white race is the race of the devils and if you're not, this is your argument with God. I mean if they're not, prove that you're good. Prove that you're doing good. I mean, why are you concerned with our religion?
- KUP: That's a pretty hard deduction to swallow, JOHN.
- JOHN: I mean, you call us niggers and things -
- GORDON: As have all other deductions been today. Hard to swallow.
- JOHN: I mean, you call us -
- KUP: JOHN, let me interrupt for just a second. AUBREY came all the way from Boston as did GORDON and they want to say a few comments, make a few comments here.

CG 100-35638
CES:cmb

AUBREY:

Well, JOHN has been dominating the time for the last hour or so. He's been going around the world, back again and back into the century.

JOHN:

That is what we call a universe.

AUBREY:

He has discussed today the Muslim program. Are they a fraud or aren't they a fraud? Now, on the back of every edition of "Muhammad Speaks" newspaper they list what the Muslims want. And what they want and what they actually get, what they stand for are two different things. They say they want justice. Now a few minutes ago JOHN talked on the program in reference to, about a person being a Muslim. He said that in this country at least a person is considered not guilty until proven guilty. That is correct in this country but not in the Muslim movement is the numerous trials they have there. They have trials of the members who have broken such laws as going to the theater or going to a sporting event or such things as that. They have these trials -

KUP:

Pardon me just a second, you said, going to a sporting event?

AUBREY:

Oh yes, this will be the first time in the -

KUP:

They had one today at an earlier time.

JOHN:

I'd like to interrupt. When a man is telling a natural lie, I'd like to interrupt. Because one, we have all types. Mr. MUHAMMAD does not encourage going to sporting events where they have gaming and gambling of that nature but we have many different types of athletic participation. We have basketball. We have -

CG 100-35635-
CES:kmm

KUP: All right. You made your point.

GORDON: - intramural sports.

JOHN: - and all of this nature. I mean, -

KUP: All right, JOHN. Let AUBREY finish.

AUBREY: You were forbidden, JOHN, to attend in the Muslim organization -

JOHN: I beg your pardon.

AUBREY: any sporting event where anyone else attends, where the general public attends. You are forbidden to do this -

JOHN: I beg your pardon. I beg your pardon. You are not telling the truth.

AUBREY: Of course, there are big guys and little yous in the organization. There are big guys and -

JOHN: You will be - . I must interrupt -

KUP: Let him finish, JOHN.

AUBREY: You have a law in your organizations that you cannot associate with non-members or members who are out. Why don't CASSIUS CLAY get put out when he was associated with MALCOLM when MALCOLM was out?

JOHN: Well, like any group, they have religious ruling. I'd like to explain this. Like I say, you don't understand our organization.

CG 100-35635
CES:kmm

AUBREY:

I don't understand that organization because that organization -

JOHN:

Please, Mr. KUP. I gave you courtesy to finish.

AUBREY:

- what it is publicly against.

JOHN:

You don't understand our organization. I mean, like you said, restriction. I mean Islam does not, Islam takes restrictions off our people. This is one of the reasons why Mr. MUHAMMAD is offering to us -

AUBREY:

That's not right.

JOHN:

Please, please let's be polite now. You are asking for politeness. Mr. MUHAMMAD -

AUBREY:

I'm asking for politeness. I'm asking for the answer to the question.

JOHN:

This is one of the reasons why he is offering Islam to our people because it relieves restrictions from us. It gives us a wider, broader friendship. It is like our friends go beyond America, throughout the world, and we are not restricted. In fact, we can do more things than ever. I mean, you talk about being restricted - to evil things. Yes, I mean this is Mr. MUHAMMAD's program to get our people to refrain from evil habits -

AUBREY:

Please, please -

JOHN:

or participating in evil environment, things which will make them sick and not according to their own.

CG 100-35635
CES:kmm

JOHN:

He has restricted us from this,
from even more. He restricted us -
from drinking, from participating -

AUBREY:

This is very good -

JOHN:

from laziness and from shallowness
and from all the other different
things and if we have restrictions
of any nature, they are from white
people.

AUBREY:

(tries to speak)

JOHN:

One of the reasons why you object
to the religion of Islam is because
in Boston, Boston is noted for a
great integrated, mixed society
where they have many mixed marriages
and mixed religions going on.

AUBREY:

That's got nothing to do with it.
I don't have a mixed marriage.

JOHN:

And this is one of the great things.
This is one of the things that you
are noted for. Because you have
a wife and everything and you have -

AUBREY:

I have a wife who was a Black Muslim
member just as I was.

JOHN:

And this is one of the reasons that
you object -

KUP:

Just one second.

JOHN:

to Islam because you had an extra-
marital affair with -

CG 100-35635

- AUBREY: That is certainly a lie.

- AUBREY: It is noted for -
- JOHN: And this is one of the reasons why Mr. MUHAMMAD has established Islam in that city. Because Boston is known for Negroes -
- AUBREY: There are also laws of libel and slander because I will certainly see you in court.
- JOHN: Go right ahead. Go right ahead because this is well known.
- AUBREY: The man -
- KUP: Hold it just a minute. Dr. LINCOLN -
- LINCOLN: I was just wondering if we could re-establish our grounds so we can hear one man at a time.
- KUP: We can try desperately. Go ahead, AUBREY.
- AUBREY: JOHN is making reckless and senseless charges.
- JOHN: No, this is not reckless.
- AUBREY: I'm glad you're making them because I think that I can sue -

CG 100-35635

CES:kmm

VOICE:

You can get your lawyer -

AUBREY:

Right. And let me quote something which WALLACE MUHAMMAD said. It was published in the newspaper. You can quarrel with them if you want to. I understand he attended the meeting. The main laws of the organization are to refrain from adultery, fornication, smoking, drinking, lying and stealing. The members of my father's staff are guilty of some or all of these evils. There have been beatings, lies and hypocrisy. They have written, they have presented, my father as a holy image and misused thousands of dollars. So there are laws and restrictions but they don't apply to anyone. They only apply to the small members, the members who don't reach the high echelon. Now another thing they see in "Muhammad Speaks" newspaper is we want equality of opportunity. There is no equality of opportunity in Muhammad's Mosque, there is favoritism. There is nepotism practiced in the organization and there is favoritism. Only a few people ever benefit from being in the organization. They also say we want justice, but they don't give justice to the members. Anyone who would dare plead not guilty to a charge, he is charged with being beat up and run out of town as was JAMES 5X, 6X in Boston, who not only was he put out of the organization but beat up and run out of town because he said he wasn't guilty of the charges.

KUP:

You said in this article, AUBREY, that you lost a lot of money as a result of your membership. What did you mean by that, that you were practically

CG 100-35635
CES:kmm

KUP: destitute after you left the organization?

AUBREY: Well, in the Muslims, the Black Muslim organization, they have what they call charity. And this is a charity slip for Muhammad's Mosque Number 27, Los Angeles, California, which incidentally my cousin, the late WALLACE STOKES, was a secretary of, and each temple across the country has these donation slips and each member is expected to donate. In Boston it was \$10.00 a week. Each and every week. It's not a donation because if you don't donate it, they'll bring you up in front of the temple, in front of all the people, embarrass you, ask you why you couldn't do better and they also have enforcers to make sure that you donate this money.

KUP: They have what?

AUBREY: Enforcers.

KUP: Enforcers?

AUBREY: to make sure. They have a strong-arm group within the Nation of Islam, within the NOI, which would make sure that these men who fall behind in their payments come up to par and donate this money which they say is charity but charity is something that is supposed to be given freely.

JOHN: I'd like to say something about this.

AUBREY: But donations in the Nation of Islam are not given freely. It is something that is coerced.

CG 100-35635
CES:kmm

JOHN:

Well, anyone that belong to any religion is required to give.

AUBREY:

That's right.

JOHN:

And this is in Islam. In fact, one of the principles - you can't be a Muslim unless you give.

AUBREY:

Right again.

JOHN:

And what we have, we have duties and we have obligations. We have certain obligations which we must meet and those who follow the program they do it. And those who don't follow - we don't require it, Mr. KUP, because they're not a Muslim. So we don't expect it of you, but those who say they're with us -

KUP:

I - may join after today's session.

JOHN:

Well, that's your, if you can follow the principle you may be a Muslim. We don't object to it.

AUBREY:

But you won't be able to get him in ELIJAH MUHAMMAD's temple as a Muslim.

JOHN:

Please now, the ground rules have been established. But anyone who belongs to any religion - Judaism or Catholicism or Protestantism or Unitarianism, they have offerings, I think, this is their purpose and in Islam we do it. In as broad a sense we give.

KUP:

You missed the point, JOHN, that there is physical violence if you don't make your contribution.

CG 100-35635
CES:kmm

JOHN:

No. This is not true. Because there is no compulsion and anyone, any group, certainly they are required to give. But no one is compelled to give, because our people receive benefits, in fact, for what Mr. MUHAMMAD has to offer to our people if he asked us to stand on our heads and turn our pockets inside out, he would not offer, he would not be asking too much. Because he is offering everything to us. He is offering, too, the reality of God and in return we have nothing to give back. And so anyone that would object to this, we don't want them with us. We ask them to leave.

KUP:

Let Dr. LINCOLN get in -

AUBREY:

Before Dr. LINCOLN gets in, I'd just like to make a comment on his book, Dr. LINCOLN's book. He wrote a book some years ago about the Black Muslim organization and this is another one of the restrictions in the Nation of Islam. The Nation's rank and file members were forbidden to read that book and forbidden to purchase it.

JOHN:

I beg your pardon. Because the rank and file - anyone may buy the book. The book's on the newsstand. They're not forbidden to -

AUBREY :

If they are caught buying or reading it -

JOHN:

In fact, this Dr. LINCOLN will testify to himself.

CG 100-35635
CES:kmm

KUP:

Dr. LINCOLN wanted to get a word
in -

JOHN:

I just wanted to say this -

KUP:

You already made the point.

JOHN:

We have the book. Many of the
Muslims have it. Let any
Mosque have it. They read the
book but they were not restricted
from buying the book. Someone
asked us to sell the book and
we said no. We're not going to
sell it. But we have our own news
media that we want to sell,
"Muhammad Speaks".

KUP:

Dr. LINCOLN.

LINCOLN:

I'd like to raise this question.
You said a few minutes ago that
if you belong to Islam you are
expected to honor the obligations
of Islam, in this case, was to give.
If you don't give, are there any
restrictions that keep you in the
temple as a member if you desire
to leave?

JOHN:

Many different problems. We have women,
widows and things that we help out
ourselves. And in Islam in order
to be a Muslim, every Muslim gives.
This is one of the principles. One
of the five principles. Charity in
as broad a sense. This is one
of the outstanding things about
Islam is what the people give and this
is one of the reasons why Mr. MUHAMMAD's

CG 100-35835

CES:kmm

JOHN:

teachings in America is so outstanding is that what he does is done on the strength of his own followers, isn't tax supported, isn't done by any foundation or anything else but on the strength of the people who have faith in him and God.

KUP:

You say it is not tax supported? You mean you don't take religious tax deductions to which you're entitled?

JOHN:

No. I'd say that we're not, we don't get any tax. Like we have a school operating, operating now. Our children are not even permitted to ride the CTA bus at a reduced school rate even though we are supporting a school here. These same little -

KUP:

But you do take your tax deduction that you are entitled to for religion?

JOHN:

These same people, these same people that are, that you call uneducated are not permitted, our children are not permitted to ride the CTA bus on a school reduction pass. And the same thing about the tax deduction. The United States Government makes effort to restrict our members from taking tax deductions for the charity they give for support of their religion, while a person can be supporting some magic and the government will give them all types of support and the contributions they make to this

CG 100-35635
CES:kmm

JOHN:

magic as their God. And we who found the real God, the only God, Allah, are investigated and brought before courts of the government because of this.

KUP:

GORDON?

GORDON:

Just a point. Dr. LINCOLN, do you regard this last torrent of words as an answer to the question that you raised?

LINCOLN:

No. This wasn't the question that I asked. My question -

GORDON:

I didn't think it was either.

JOHN:

Well, I, excuse me. I don't mean to get off place there but when he said -

KUP:

Make it brief there, gentlemen; we're running out of time.

JOHN:

We'll make it brief. If someone can't give - that is up to them. As long as they have the desire, no one is forced to give and Mr. MUHAMMAD tells us this and teaches us this. A person is required to give if they are financially or physically able. But if they don't, they are still required to have the desire to give, and this is sufficient. But, if they don't have the desire and not counting the ability, we ask them to leave.

KUP:

GORDON?

CG 100-35635

CES:kmm

GORDON:

I still want to know. Is that an answer to the question you asked him?

LINCOLN:

Well, that's the point. He said that they require them to leave if they're not willing to carry out the requirements of the religion. That answers my question. My question really was, is, does a member have the liberty to leave if he wants to?

JOHN:

Certainly. Any time. I mean, any time anyone is dissatisfied with the teachings of Mr. MUHAMMAD, they are permitted to go. In fact, we ask them to go.

AUBREY:

Well, these are the results.

JOHN:

Anyone who disagrees -

AUBREY:

A person is beat up -

KUP:

All right, JOHN. You answered. Go ahead, AUBREY

AUBREY:

11 Muslims convicted of assaulting a former member. 4 Muslims accused of assault. 4 Muslims face court in beating up five ex-members. This is the result of having left. It would be all right if you could leave the organization and they would not leave you alone.

JOHN:

No. This is not true.

AUBREY:

But it is not true. You're certainly right. It is not true that you can leave the organization and the organization leave you alone. You are depicted as the enemy.

CG 100-35635

CES:kmm

AUBREY:

If the white people think hate is taught against them, they should listen in on a Muslim meeting and listen to a person who has left the organization been kept getting talked about as the hypocrite, the worst enemy that ever came on the face of the earth. Now more time is spent teaching against ex-members than is spent teaching about your so-called enemy and before you mention about helping widows. This is another contradiction of the Muslim program. And this is something I know very, I'm very familiar with because this is something I was very upset about in the Nation of Islam. My cousin, WALLACE, the late WALLACE STOKES, was killed in California, from -

JOHN:

by a white man. Mention that, too.

AUBREY:

He was sent down -

JOHN:

for practicing religion there.

AUBREY:

He was sent downstairs to his death by a Black Muslim minister. Right. Now the Black Muslims say they're supported, they're looking out for one another. But yet when WALLACE STOKES was killed, no support was given to the support of his child. His child had to live in the home of my aunt, who is a Christian, for one year. Not a Muslim from Boston came to visit that child. Not a Muslim from Boston came to

CG 100-35635
CES:kmm

AUBREY:

donate any money to that child's upkeep. My Christian aunt, who had been condemned by the Black Muslims, had to support that child,

JOHN:

This was done, because her, the child's mother, had offered to do that because she is going to school and had a job and she got remarried and she wanted her child to live with -. So I, why don't you tell the truth? I mean -

AUBREY:

The child's mother was still a Muslim -

JOHN:

You are reckless -

KUP:

One at a time.

AUBREY:

The child's mother was still a Muslim and is still a Muslim today and that doesn't stop you from supporting that child in any way.

JOHN:

Like any child. Any one knows the laws in the country. Evidently you're unacquainted with the law.

KUP:

We have to interrupt.

JOHN:

The child's mother is responsible -

AUBREY:

If she desired that the child live -

CG 100-35635
CES:kmm

KUP:

AUBREY, JOHN, we have to interrupt for a message and in so doing we say good night to these friends and in so doing hope that we have presented both sides of the story as equally as we possibly could under a very torrent flow of words. We'll be back with some new guests right after this message.

He directed the conversation, on several occasions, to the fact that he was willing to appear at New Haven to answer charges brought against him if the FBI requested him to do so. It was pointed out to him that whether or not he appeared in New Haven in this matter is a decision that was entirely his own to make, that whether or not his testimony would be of benefit to the FBI was subject to question, but that any assistance he voluntarily gave the FBI in this or any other matter would be appreciated.

It appeared at the completion of the interview that he would not voluntarily appear as a witness or surrender himself to answer charges.

[REDACTED] stated that he had attended the funeral of Malcolm X Little in New York City. He claims that on his arrival in New York City, he was taken into protective custody by the [REDACTED] and was allowed to attend the funeral. Subsequent to the funeral, he went to a friend's home for the evening and then returned to Boston, Massachusetts.

While at the funeral, he chattered with former members of the Newark Nation of Islam (NOI) Temple whom he recognized from having had contact with them while visiting that temple. [REDACTED] stated, however, that he does not know them by name.

b7D

One of these, to the best of [REDACTED] was present when Malcolm X was shot. This man described the person who handled the shotgun as a tall, dark skinned Negro whom he recognized as a member of the Newark Temple, but whom he did not know by name. [REDACTED] believes that this former Muslim, who told him this, identified the Negro who handled the shotgun as a lieutenant in the Newark Temple. The man handling the shotgun shot from the hip and appeared to be an expert in the handling of this type of gun.

RE: [REDACTED]

On guard at the rostrum at which Malcolm X was speaking were Robert 35X, formerly of the New York Temple, and Charles 26X, formerly of the Newark Temple.

b7D

When the distraction was created just before Malcolm X was shot, both of these guards left the immediate area of the rostrum which [REDACTED] is in violation of all the rules of "standing post" both in the Muslim Temples and in Malcolm Little's organization.

b7D

This fact made the persons participating in the discussion [REDACTED] convinced that the shooting was a conspiracy in which the two guards participated. [REDACTED] has no factual knowledge about such a conspiracy, how the shooting occurred or who participated in it. The man who started the distraction by claiming someone's hand was in his pocket was described [REDACTED] as a short, dark skinned Negro with bushy hair and a mustache, who was believed to be a member of the Newark Temple.

NATION OF ISLAM, formerly
referred to as the Muslim
Cult of Islam, also known as
Muhammad's Temples of Islam

In January, 1957, a source advised Elijah Muhammad has described his organization on a nationwide basis as the "Nation of Islam," (NOI) and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised Elijah Muhammad is the national leader of the NOI; Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, Muhammad and other NOI officials, when referring to Muhammad's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. Muhammad claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following Muhammad's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including Muhammad, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised Muhammad had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

On May 7, 1964, a third source advised Muhammad had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to Muhammad, would help him acquire additional followers and create more interest in his programs.

ORGANIZATION OF AFRO-AMERICAN UNITY (OAAU)

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 165th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes of education, politics, culture, economics and social reform.

On August 19, 1964, a confidential source advised that the headquarters of the OAAU are located in MMI headquarters, Suite 128, Hotel Theresa, 2090 7th Avenue, New York City.

A source advised on July 2, 1962, that Progressive Labor groups held a conference in New York City on July 1, 1962, where MILTON ROSEN acted as chairman. He read a statement at this conference setting forth their intention to form a new Marxist-Leninist party in the United States. ROSEN stated that a more formal organization was necessary, one which would provide a framework for all who wanted to join in a united effort to build an American vanguard. The forces of this new organization are to consolidate all existing forces around Progressive Labor and organize additional forces; expand and improve political activities; win additional forces to an outlook of Marxism-Leninism and increase the open advocacy of socialism; develop a significant Marxist-Leninist program for the new party; and organize a collective organization of leaders and members.

"The Worker," an east coast communist newspaper, issue of January 7, 1962, Page Ten, Column Three, reported the expulsion of MILTON ROSEN, former Labor Secretary of the New York State Communist Party, from the Communist Party, United States of America.

A second and third source advised in February, 1963, that this new Marxist-Leninist party had not yet been organized on a formal basis, but that Progressive Labor groups had been formed in several localities in line with the proposals of MILTON ROSEN. The sources advised as of February, 1963, that the leaders of this group were referring to it as the Progressive Labor Movement.

A fourth source advised on March 15, 1964, that the Progressive Labor Movement follows, supports, and is politically orientated toward the Communist Party line of Red China rather than that of the Soviet Union.

A fifth source advised on March 28, 1964, that at a Progressive Labor Movement meeting held in New York City on that date, it was announced that the Progressive Labor

The fifth source also advised that the Progressive Labor Movement publishes a monthly magazine called, "Progressive Labor" and also a quarterly theoretical publication called the "Marxist-Leninist Quarterly." The source also advised that starting June 1, 1964, the Progressive Labor Movement would start publishing a weekly newspaper in New York City.

The March, 1964, issue of "Progressive Labor" sets forth that it is published monthly by the Progressive Labor Company, General Post Office Box 808, Brooklyn 1, New York.

Malcolm K. Little is described in the appendix pages of this communication under characterizations of Muslim Mosque, Incorporated, and Organization of Afro-American Unity.

Malcolm K. Little, according to voluminous public information sources, was assassinated February 21, 1965 at the Audubon Ballroom, New York, New York.

The March 31, 1965 edition of the "Chicago Sun-Times", a Chicago, Illinois daily newspaper, page 48 under the caption "Kup's Column" contained, among other items, in substance the following information:

Ossie Davis, a big name Broadway actor, will be in Chicago, Illinois on Sunday, April 4, 1965 to address the "Educational Fund for Children of Malcolm X", to be held that afternoon at the Tabernacle Baptist Church.

The 1964-65 Illinois Bell Telephone Directory lists the Tabernacle Baptist Church as being located at 4130 South Indiana Avenue.

Kup's Column is written by Irving Kupcinet, a publicly well known Chicago newspaper columnist and radio and television commentator.

IM MOSQUE, INCORPORATED (MMI)

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 13, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article, would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principles." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York), 1 Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

A second confidential source advised on October 20, 1964, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. These headquarters are shared with the Organization of Afro-American Unity (OAAU) which is also headed by MALCOLM X.

ReNYlet 4/6/65 captioned "Malcolm K. Little, aka, IS-MNI," containing information indicating that the Socialist Workers Party (SWP) was making a concerted effort to publish a book tentatively titled "Malcolm X Speaks."

New York should, in submitting future information of this type, caption communications utilizing the title or titles of the organizations involved rather than the captions of the individual case concerning Little. It is pointed out that information of the nature mentioned above relates primarily to the organizations involved. It would appear that the only information which should be submitted under the Little caption is that information concerning the New York City Police Department investigation relating to the murder of Little or other information which relates solely to Little's former activities.

Utilization of the organizational caption will facilitate the handling of information at the Bureau.

MUHAMMAD'S MOSQUE NUMBER 12

Two sources advised on May 22, 1964 that the organization of which ELIJAH MUHAMMAD is the national leader and founder, is known in Philadelphia, Pa., as Muhammad's Mosque #12 (MM #12). These sources advised MM #12 was located at 4218-20 Lancaster Avenue, Philadelphia, Pa.; but, in September, 1963, moved to 2204 North Broad Street, Philadelphia, Pa.

The first meeting at 2204 North Broad Street was held on September 23, 1963.

A third source on May 22, 1964 advised the organization has been meeting in Philadelphia, Pa., since 1954.

MUSLIM MOSQUE, INCORPORATED (MMI)

The March 13, 1964 edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964 edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964 a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York), 1 Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

NATION OF ISLAM, formerly
referred to as the Muslim Cult
of Islam, aka Muhammad's Temples
of Islam

In January, 1957, a source advised Elijah Muhammad has described his organization on a nationwide basis as the "Nation of Islam", (NOI) and "Muhammad's Temples of Islam."

On May 5, 1964 a second source advised Elijah Muhammad is the national leader of the NOI; Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, Muhammad and other NOI officials when referring to Muhammad's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. Muhammad claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following Muhammad's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils", in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including Muhammad, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 6, 1958 the first source advised Muhammad had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

On May 7, 1964, a third source advised Muhammad had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to Muhammad, would help him acquire additional followers and create more interest in his programs.

(2)

A second confidential source advised on October 20, 1964 that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. These headquarters are shared with the Organization of Afro-American Unity (OAAU) which is also headed by MALCOLM X.

MALCOLM X was assassinated on February 21, 1965, while addressing an OAAU rally at the Audubon Ballroom, Broadway and 166th Street, New York City.
