APPENDIX

CONFIDENTIAL

MUSLIM MOSQUE, INCORPORATED (MMI)~~SECRET~~

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York), 1 Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

A second confidential source advised on October 20, 1964, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. These headquarters are shared with the Organization of Afro-American Unity (OAAU) which is also headed by MALCOLM X.

APPENDIX

~~SECRET~~

ORGANIZATION OF AFRO-AMERICAN UNITY (OAAU)

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes of education, politics, culture, economics and social reform.

On August 19, 1964, a confidential source advised that the headquarters of the OAAU are located in MMI headquarters, Suite 128, Hotel Theresa, 2090 7th Avenue, New York City.

The following developments have taken place relating to the murder of Malcolm X Little in New York City on 2-21-65 and the Annual Muslim Convention (AMC) being held at Chicago, Illinois, 2/26-28/65.

b7D The Chicago Office advised that the opening session of the AMC commenced at 2:00 P.M. 2-26-65 [REDACTED] estimating attendance at 1500 to 1800 persons, despite the Chicago newspaper estimates of 6,000. Elijah Muhammad, leader of the Nation of Islam (NOI) spoke as did the brothers of Malcolm X Little. All denounced Little as a hypocrite and denied NOI connection with the murder. Wallace Muhammad, son of Elijah Muhammad, also spoke and asked to be reaccepted into the NOI. This was done. It is noted that Wallace Muhammad has, in the past, publicly denounced his father as a fraud and defected from the NOI. He had considered joining forces with Little and in this regard met with Little at Chicago, Illinois, just prior to 2-21-65.

b7D [REDACTED]

b7D A minor incident occurred at the AMC when one [REDACTED] was seized at the meeting since he was suspected of being associated with groups opposing the NOI. The files of the Bureau, New York, and Chicago Offices contain no information identifiable with [REDACTED]. He has, in the past, been arrested frequently on charges of loitering. There is no indication that he is connected with any Muslim group.

b7D Several other rumors of possible disturbances have been furnished by the [REDACTED] but no pertinent information has been developed indicating possible disturbances. [REDACTED] a newspaper reporter who had written an exposé of the NOI several years ago, was recognized in attendance at the AMC, was denounced as a spy and escorted from the convention.

b7D Information has been received from our Buffalo Office indicating possible disturbances. Buffalo reports that the [REDACTED] received a call from one [REDACTED] not further identified, stating that her brother, whose name was not given, was going

The Police are conducting a surveillance of the NOI Temple at Rochester in order to prevent any possible violence. Our Buffalo Office also advised that the General Explosives Sales, Incorporated, Rochester, New York, had received two anonymous calls instructing that 20 sticks of dynamite be delivered to a designated location or the company representative "would not see the sun rise." Appropriate law enforcement agencies and Secret Service have been notified.

b7D Buffalo has been instructed to determine all circumstances regarding each of the above incidents [REDACTED] and furnish the Bureau actual involvement of individuals involved in NOI or Black Nationalist-type organizations.

Above information being furnished to the Department and interested intelligence agencies, including Secret Service.

NATION OF ISLAM

The Nation of Islam (NOI) is referred to in the appendix section of this communication.

b7D  
On February 22, 1965, [redacted] advised that Elijah Muhammad had held a press conference that date in connection with the assassination of Malcolm Little.

Malcolm Little is described in the appendix section of this communication under the characterizations of Muslim Mosque, Inc., and the Organization of Afro-American Unity.

In response to questions asked at this conference Elijah Muhammad stated he was not afraid his life was in danger as he has done nothing to make him afraid. He said the Black Muslims are not responsible for Malcolm's death as it is against Muslim teachings. He added that the death of Malcolm would have no ramification on the Muslim movement as there were not many people with Malcolm. He said the main disagreement between Malcolm and himself was over arms, and that NOI members are forbidden to carry arms while Malcolm favored the carrying of arms and was, therefore, the victim of what he preached.

Muhammad also stated he was deeply shocked over Malcolm's violent death and said nothing separated Malcolm from the NOI but the issue of arms.

Muhammad stated he was sorry Malcolm met such a death because of his own teachings. He added that he was not concerned about his own life as the NOI was not involved in Malcolm's death at the hands of violent assassins. He added the NOI was conducting an investigation of its own followers in this matter.

The February 22 and 23 editions of the following Chicago daily newspapers contained items which in substance contained the same information as set forth above:

"Chicago American"  
"Chicago Sun-Times"  
"Chicago Tribune"  
"Chicago Daily News"

Extensive press coverage in Chicago was given by the above newspapers regarding the assassination of Malcolm Little and matters pertaining thereto regarding the NOI.

NATION OF ISLAM, Formerly Referred  
to as the Muslim Cult of Islam, Aka.  
Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

On May 7, 1964, a third source advised MUHAMMAD had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs.

APPENDIX

MUSLIM MOSQUE, INCORPORATED (MMI)

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article, would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York); 1 Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

A second confidential source advised on October 20, 1964, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. These headquarters are shared with the Organization of Afro-American Unity (OAAU) which is also headed by MALCOLM X.

APPENDIX

1.

APPENDIX

ORGANIZATION OF AFRO-AMERICAN UNITY (OAAU)

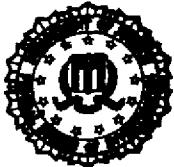

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes of education, politics, culture, economics and social reform.

On August 19, 1964, a confidential source advised that the headquarters of the OAAU are located in MMI headquarters, Suite 128, Hotel Theresa, 2090 7th Avenue, New York City.

NATION OF ISLAM

The Nation of Islam (NOI) is described in the latter pages of this communication.

On February 22 and 23, 1965, Wesley South, Moderator of the question-answer program "Hot Line" over Chicago radio station WVON, interviewed Elijah Muhammad. This program, which is on the air 11:00 p.m. to midnight, was monitored by a Special Agent of the Federal Bureau of Investigation.

In response to questions regarding the assassination of Malcolm X, Little and the NOI, Muhammad stated as follows:

Malcolm Little is described in the appendix pages of this memorandum under the characterizations of Muslim Mosque, Incorporated and Organization of Afro-American Unity.

The murder of Malcolm X was a shock and surprise to us. We are investigating the charge all over the country to see if the NOI is responsible and to see if we can come up with the man's name in our records, but as of now we have no record. I have preached for thirty-four years we are against this type of thing. Malcolm left and began teaching hate and the arming of his members. We in the NOI are against this position as it would be suicide to take up arms against this country. Allah teaches us not to carry guns and we do not carry any. We have no guns, bombs or artillery pieces to field. The Koran teaches that if one opposes the Messenger and repents he is forgiving, but if he does not repent he is subject to divine chastisement such as death or hell fire.

100-399391-

EXCLUSION

Muhammad stated he did not know the reason why Malcolm was killed nor who killed him. Muhammad has not asked police protection, but appreciates it, adding he was a taxpayer.

Muhammad stated he has heard assassins are coming for him but that he was not frightened, as he was on Allah's mission and was not running.

Muhammad stated he had two hundred thousand to three hundred thousand members all over the world. He said some people in order to keep their racial pride teach hate. Muhammad doesn't teach violence except to fight back if attacked. The NOI is never the aggressor. Muhammad does not teach hate, only the truth and the white men are a wicked, devil race. A Muslim is one who has submitted himself to Islam.

Muhammad stated he would not back any man who used violence and in the event it subsequently might be discovered a member of the NOI killed Malcolm, added he would not back any man who used violence as the Koran only teaches us to kill on the order of Allah. This would be handled in the same way that God advised Moses to lead and help his people as set forth in the Bible.

On February 23, 1965, Elijah Muhammad in response to questions submitted by individuals who called in to radio station WVON advised as follows:

That when Malcom X remarked that the "Chickens had come home to roost" in regards to the assassination of President Kennedy he meant that this individual had come to his end. The son who had denounced him had now returned and confessed and did not have knowledge of the truth when this occurred. Now he has true knowledge.

b7D

[REDACTED] that Wallace Mohammed, son of Elijah Muhammad, was a former minister in the NOI, but deviated from the NOI in late May, 1964, and was dismissed therefrom by Muhammad.

The February 25, 1965, issue of "Chicago's American", a Chicago, Illinois daily newspaper, contained an item on page 1, that Wallace Mohammed would be permitted by his father to rejoin the NOI.

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

On May 7, 1964, a third source advised MUHAMMAD had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his program.

MUSLIM MOSQUE, INCORPORATED (MMI)

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article, would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York), 1 Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

A second confidential source advised on October 20, 1964, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. These headquarters are shared with the Organization of Afro-American Unity (OAAU) which is also headed by MALCOLM X.

### ORGANIZATION OF AFRO-AMERICAN UNITY (OAAU)

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes of education, politics, culture, economics and social reform.

On August 19, 1964, a confidential source advised that the headquarters of the OAAU are located in MMI headquarters, Suite 128, Hotel Theresa, 2090 7th Avenue, New York City.

NATION OF ISLAM, Formerly Referred  
to as the Muslim Cult of Islam, Aka.  
Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his ~~clerk~~ programs.

[redacted] advised that there were no incidents during the removal of the body from the funeral home to the church; that approximately 1000 persons were in the church itself and that at 9:30 AM there were approximately 500 persons outside the church. [redacted]

[redacted] further advised that a detail of the NYCPD was in evidence in the area of the church during the entire funeral.

At 9:30 AM, the National Broadcasting Corporation (NBC) Television Station, WNBC, New York City, broadcasted a one hour television program covering the services. The television coverage began with scenic scanning photographs of the area surrounding the Faith Temple Church of God at Amsterdam Avenue and West 147th Street, New York City. Included were various views of the funeral procession as it entered the church. At 9:50 AM the television cameras were focused on the podium within the church.

Ossie Davis, Negro Playwright and Actor, acted as Master of Ceremonies. Davis made mention of the cooperation rendered the family of the late Malcolm X and those responsible for planning his funeral by the various news media, civic leaders, New York City officials and the NYCPD. He then read excerpts from various telegrams, letters and messages of condolence received by the widow of Malcolm X. Among such messages of condolence as mentioned by Ossie Davis were messages from the Los Angeles Youth Chapter of the National Association for the Advancement of Colored People (NAACP) and Whitney M. [REDACTED] advised on February 27, 1965 that the funeral procession under convoy of the New York State Police entered the grounds of the Ferncliff Cemetery, Hartsdale, New York, Town of Greenburgh, Westchester County, New York, at 11:35 AM on February 27, 1965 with approximately fifty two automobiles parked behind the hearse, that approximately 200 passengers from these automobiles joined another 200 persons who had been waiting at the scene for the funeral procession to arrive.

b7D  
[REDACTED] advised that the funeral service at the grave was concluded at approximately 12:45 PM by which time the group which appeared to be members of the immediate funeral procession itself had left the cemetery. [REDACTED] advised that there were no disturbances or incidents in the cemetery or at the grave site itself; that the funeral was carried on in an orderly fashion but that shortly before the end of the ceremony itself a woman believed to be [REDACTED] Boston, Massachusetts, [REDACTED] in a slight emotional outburst was heard to say that she would be "willing to die for the cause". *NEK Little*

b7D  
[REDACTED] that two individuals known to him only as former members of a personal bodyguard or close associates of Malcolm X, also in an emotional outburst indicated that the death of Malcolm X would eventually be avenged.

b7D  
[REDACTED] advised on February 27, 1965 that Harlem Rent Strike Leader Jesse Gray advocated that retail merchants on 125th Street in Harlem close their stores during the Malcolm X funeral hours on February 27, 1965 under the threat

of a picket line and boycott. [REDACTED] further advised that [REDACTED] noted that the Jesse Gray picket line included no more than thirty persons; that the picket line which appeared at 125th Street, New York City, was completely ineffective and that reports indicate that the retail merchants in the area paid no attention to it and that business was conducted without incident.

APPENDIX

MUSLIM MOSQUE, INCORPORATED (MMI)

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York), 1 Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

A second confidential source advised on October 20, 1964, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. These headquarters are shared with the Organization of Afro-American Unity (OAAU) which is also headed by MALCOLM X.

NATION OF ISLAM, formerly referred to as the Muslim Cult of Islam, also known as Muhammad's Temples of Islam

In January, 1957, a source advised ELLIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam," (NOI) and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised ELLIJAH MUHAMMAD is the national leader of the NOI; Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, MUHAMMAD and other NOI officials, when referring to MUHAMMAD'S organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD'S teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

NATION OF ISLAM, formerly  
referred to as the Muslim  
Cult of Islam, also known as  
Muhammad's Temples of Islam

On May 7, 1964, a third source advised Muhammad had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs.

APPENDIX

ORGANIZATION OF AFRO-AMERICAN UNITY (OAAU)

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes of education, politics, culture, economics and social reform.

On August 19, 1964, a confidential source advised that the headquarters of the OAAU are located in MMI headquarters, Suite 128, Hotel Theresa, 2090 7th Avenue, New York City.

[REDACTED] ADVISED THAT PHOTOS OF [REDACTED] AND JOHNSON HAVE BEEN SHOWN TO [REDACTED] WITNESSES AND NONE HAVE BEEN ABLE TO IDENTIFY THESE TWO INDIVIDUALS AS BEING OBSERVED AT THE BALLROOM ON THE DATE OF THE SHOOTING. [REDACTED] ADVISED THAT SUSPECT BUTLER WAS IDENTIFIED BY SOME OF THE WITNESSES INTERVIEWED BY [REDACTED] AS HAVING BEEN IN THE BALLROOM AROUND THE TIME OF THE SHOOTING AND HIS PHOTO WAS IDENTIFIED AS BEING ONE OF THE ASSASSINS BY WITNESSES WHO OBSERVED THE SHOOTING.

IN VIEW OF THE FACT [REDACTED] AND JOHNSON HAVE NOT BEEN KNOWN TO HAVE BEEN ANYWHERE IN THE VICINITY OF THE BALLROOM AT THE TIME OF THE SHOOTING, [REDACTED] HAVE NOT QUESTIONED THEM. 67C

[REDACTED] ADVISED THAT TO FACILITATE THE INVESTIGATION THE SQUAD HANDLING THE MURDER OF MALCOLM IS BEING MOVED FROM [REDACTED] TO THE [REDACTED] WHICH IS CLOSER TO THE HARLEM AREA. 68

The "New York Journal-American" issue of 2-24-65 carries a story concerning the murder of Malcolm X under the headline, "G-Men in Harlem--The Plot Deepens." The story states that, "Negro FBI Agents were working under cover in Harlem today in an investigation reportedly aimed at ferreting out possible international political motives behind the assassination of Malcolm X." Further on in the story it is stated, "The Federal Bureau of Investigation confirmed that there are Negro FBI agents in Harlem, but dodged saying anything specific about their assignments." The Director inquired, "What about this?"

Assistant Director Malone of the New York Office advises that neither he nor any of the men in the New York Office confirmed the FBI has Special Agents working in Harlem. Mr. Malone said all inquiries from whatever source had been answered with a "no comment" in connection with this matter.

No one in my office, in answer to inquiries, confirmed to anyone that Negro Agents are working in Harlem.

### OBSERVATION:

It is a well known fact among news media people that the FBI has Negro Agents working in large Negro communities. In fact, we publicize this repeatedly. An example of such highlighting the work of our Negro Agents is the attached reprint from the September, 1962, issue of "Ebony" wherein on Page 3 this point is specifically made. Reporters Flynn and Pearl, who work under Guy Richards at the "Journal-American" are known for their flamboyancy and speculative stories.

The following is submitted for information regarding the funeral of Malcolm X Little at New York, 2/27/65. The New York Office was in frequent telephonic contact with the Bureau throughout the church service and burial. The

[REDACTED] estimated that 1,000 people attended the church service and that the number outside the church who could not be admitted was estimated to be between one and two thousand. Local television stations in New York gave coverage to the funeral. The service began at 9:30 a.m., 2/27/65 at the Faith Temple Church of God, corner of Amsterdam Avenue and West 147th Street, in the Harlem section of New York City, after the body had been moved from the Unity Funeral Home, Eighth Avenue and 126th Street, New York City. The eulogy at the church was read by Ossie Davis and his wife, Ruby Dee, who make up a well-known Negro husband and wife theatrical team. Numerous telegrams and letters from Civil Rights leaders were read during the ceremony.

Armand Osman (phonetic) also participated in the eulogy. He was described as being from the Islamic Center of Geneva and the U.S. Another participant in the eulogy whose name is not as yet known was described as being a representative of the Moslim Students of U.S. and Canada. Among those in attendance at the service at the church were as follows: James Farmer of Congress of Racial Equality (CORE); Bayard Rustin, Deputy Director of "March on Washington, August, 1963"; Dick Gregory, a well-known Negro comedian; and John Lewis, leader of Student Non-Violent Coordinating Committee. Various representatives of the National Urban League whose identities are not as yet known were allegedly present.

The church service ended at 11:10 a.m., 2/27/65, and the funeral procession proceeded to Ferncliff Cemetery at Hartsdale, Westchester County, New York. NYPD members escorted the funeral entourage to the New York City line at Yonkers, Westchester County, New York, where New York State Police took over the escort to the cemetery. At the cemetery, officers of the Greenburg, New York, Police Department (which covers the area of Hartsdale, New York) took over at the cemetery site.

Memorandum to W. C. Sullivan  
Re: NATION OF ISLAM

Fifteen cars made up the entourage from the church to the cemetery, but after arrival of the procession at the cemetery numerous other cars arrived and parked behind the hearse. These cars totaled 52 in number and it was estimated [REDACTED] of the

[REDACTED] that there was a total of 400 people at the service at the grave site. He advised that although 15 cars proceeded from New York City to the cemetery, the other cars apparently had traveled on their own and not in the funeral procession from the church directly to the cemetery where they joined the other cars. The funeral service at the grave site was over at 12:45 p.m. After Malcolm X was buried and the funeral service had ended, independent small group eulogies and prayers were offered and flowers were dropped on the grave by numerous individuals.

[REDACTED] members of the Socialist Workers Party (SWP) participated in the funeral as observers. The SWP, which has been designated pursuant to Executive Order 10450, has supported Little in the past through Little's appearance at SWP Forums.

No incidents occurred throughout the funeral church service or at the cemetery. [REDACTED] the sister of Malcolm X made an emotional statement at the grave to the effect that "I am ready to die for the cause." Another emotional statement by someone else in the crowd was heard to the effect that "his death must be avenged."

[REDACTED] advised that the attempted boycott of Harlem area, New York stores organized by Jesse Gray, Director of the Community Council on Housing and the organizer of the Harlem Rent Strike in New York City, was a complete failure. Gray had attempted to have store owners close their stores for a day and a half during church services out of deference to Malcolm X.
